PRESENTING

CLASS

OF 61

DEDICATION

*Swift as a shadow, short as any dream,
Brief as the lightning in the collied night*

. . . have been our days spent at Pottsville High School as the Class of 1961. After we have left the Castle on the Hill, many cherished memories of our beloved Alma Mater and faculty will reside in our hearts. Above all, though, our fellow classmates will be most dear to us. Colleagues for four wonderful years, we have brooded over the same problems and taken delight in the same accomplishments. We have hoped, dreamed and worked together. Now, as we prepare to face the future together for, perhaps, the last time, we allow ourselves the privilege of epitomizing all our achievements as a class by dedicating this Annual to the members of the Class of 1961.

SENIORS

CORNELIA ADAMS

A fine sample of feminine charm is displayed by our Cornelia. She could always be seen cheering for our fellows at the Crimson Tide games. While at P.H.S., two of her favorite pastimes were dancing and roller-skating. "Corny" also devoted much of her time to Allied Youth and the after-school basketball and volleyball teams sponsored by the Girls' Athletic Association. We hope that your chosen career, Cornelia, will be everything that you desire!

WILLIAM ADAMS

This alert, wide-awake young man, known as "Bill" to his many friends, says he has enjoyed his stay at Pottsville High very much indeed. While here on the "Hill," "Bill's" favorite subjects have been history and math; his favorite pastime was working in the Commercial Lab. After graduation, he plans either to enlist in the U. S. Navy or to find work in the commercial field. Whichever you may choose "Bill," we wish you every thing good!

EDWARD ADAMS

Upon his arrival at Pottsville High School, "Ed" selected the Auto Shop Course. The reason for this was his great interest in mechanics. During his senior year, he fulfilled a life-long dream—that of joining the United States Marine Corps. Until graduation in June, "Ed" will be in the reserves. To a guardian of our nation, the Class of '61 proudly doffs its hat and wishes the very best life has to offer.

MICHAEL AMBROSE

President of A Cappella Choir and Biology Club, this busy young man still found time to portray "Lieut. Bill Smith" in our Senior Play. "Mike's" remaining time and energy were put to use in A. Y., on the Hi-S-Potts News paper Staff, and in District and State Choruses. Experimenting in chem lab rounded out his activities in P. H. S. College is ahead, and we're sure that "Mike" will have an M.D. behind his name in no time at all!

FRANCIS ADAMS

Although he was one of the quieter members of our class, "Fran's" presence was definitely felt at P. H. S. Most of his spare time was spent in the Electric Shop. Outside of school, he enjoys building model airplanes and radios. Following graduation, he plans to enter the Air Force where he hopes to move forward in the field of electronics. We are sure he'll do his best for Uncle Sam.

LEE ANDERSON

Lee, a very popular and friendly member of our group is an enrollee in the Electric Shop. Although most of his time is taken up with a certain green '55 Dodge, he still enjoys his other hobbies: boating, swimming, and water-skiing. Though his future plans are not definite, he is definitely an all-around guy. So we say, "Move over, Mr. World, and give 'Lee' 'lee way' as he makes his 'way' toward success!"

GARY ADAMS

Who's that tall, fair-haired male? Certainly he's our Gary. He could frequently be found cheering at a football game or spending time in the woods, hunting or fishing. His favorite hobbies included making model cars and collecting guns. Gary was a member of the Electric Shop for two years, but he switched to the D. E. Course his senior year. Following graduation, he would like to enter the electrical field. The best of everything, Gary!

MICHAEL ANTHONY

"Silence is more eloquent than words." During his P. H. S. stay, "Mike" has definitely proved this statement. A Distributive Education student, "Mike" displayed his salesmanship abilities at the Sun Ray Drug Store. His free time was taken up by sports (football, softball, and track), cars, and drafting. "Mike" has as his ultimate goal Uncle Sam's Air Force. And we have confidence that he will successfully attain this!

VIRGINIA ASAIF

To you, "Ginny," we say, "Your laughter that rings, and the smile that you wear, spreads happiness and sunshine everywhere." "Ginny" was very much interested in the doings of the Biology Club and Allied Youth. She tells us her high school days were memorable ones and filled with fun. With her quiet determination and friendly attitude, we are confident that "Ginny" will attain whatever goal she sets her sights upon!

RICHARD BARNES

"Dick," one of the quieter males in our class, was quite a model train enthusiast. When he wasn't working on the above-mentioned trains, he could be found counting the days for hunting season to begin. As far as the future goes, "Dick" is looking forward to joining the United States Coast Guard. There he hopes to specialize as a printer. We can only wish him the very best as he leaves us in June.

JANET ATLAS

Janet, the perky miss with the Pepsodent smile, has truly done a great job while at Pottsville High. An eager participant in all kinds of activities, Janet enjoyed Biology Club, Allied Youth (vice-president), National Honor Society, Highland Lassies (vice-president), and Inai B'rith Girls. She also very capably served as Business Manager of our great S-Potts Annual. Whatever college Janet chooses, we are positive she cannot help but meet with happiness and prosperity!

JUDITH BEBELHEIMER

"Judy," an import from Port Carbon and an asset to our class, is a "must" at every activity. With her winning personality and unmatched wit, she has made loads of friends at Pottsville High. Home Ec Club, the Girls' Athletic Association, A Cappella Choir, and Luther League captured most of her interests. We all wish the best life has to offer to a wonderful girl and classmate. A belle at the Bell Telephone board will "Judy" be.

ROBERT BAKER

"Bob" is known around the halls of P.H.S. as the good-natured boy with the red-and-white Plymouth. Included in his after-school activities were Mr. Steiner's cross-country and track teams. Of all his subjects, "Bob" admitted that Mr. Lidge's advanced algebra class was his favorite. After leaving school, "Bob's" ambition is to enter college and become an algebra teacher. With a fond farewell, we wish him everything good!

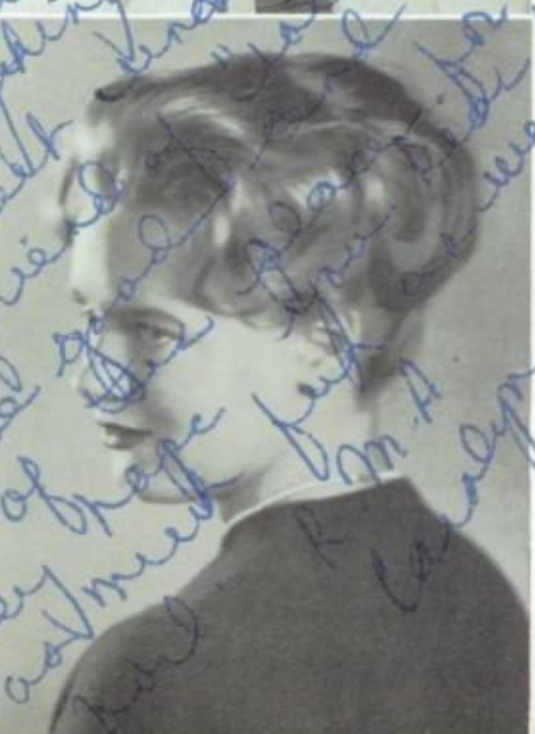

DOROTHY BECKER

Who's that cute girl who proudly claims Palo Alto as her home? You've guessed it! That's our "Dot." She's a friendly lass who says she likes dancing and swimming the "most." Upon graduation in June, "Dot" would like to become a lab technician at the Pottsville Hospital. To "Dot" we extend a fond farewell as she passes through the doors of P.H.S. to find the welcome mat on the wide, wide world!

CAROLYN BARASHA

"Sugar and spice and everything nice" best describes this intelligent miss with a charming personality and magnificent wardrobe. During her senior year, Carolyn capably served as president of A.M.D., Feature Editor of S-Potts Annual, and a member of the National Honor Society. She also lent her talents to G. A. A., Allied Youth, Senior Y-Tons, and the Kiltie Corps. As one of Frau Schartel's Frauleins, Carolyn rated German as her favorite. To Simmons College we send her, with our best wishes, to study retailing.

BARBARA BERKHEISER

Considerate and friendly—that's our "Babs," who has enjoyed high school to the utmost. She especially liked working in the Commercial Lab for Mr. Luchnick. Barbara also lent her talents to the Library Club for four years. Her interests include reading and attending our football games. Barbara will surely excel in the future as a secretary and be a credit to P.H.S. We all wish you the very best of good fortune, "Babs"!

WILLIAM BETZ

"Bill," like a fish, practically lives in the water. Usually at the Y. M. C. A., he has won many awards for his excellent swimming ability. When he is not participating in this, his favorite sport, "Bill" enjoys camping and other outdoor activities of all kinds. To college we send him now. Perhaps some day we'll be fortunate enough to see him representing the United States in the Olympics. We wish oceans of joy and prosperity to you, "Bill"!

BONNIE BLACKWELL

Bonnie, trim and cute as a button, enjoyed school tremendously, especially our terrific pep rallies. A member of the Commercial Course, Bonnie was one of Mr. Lucknick's "girl Fridays" in the Commercial Lab. She was another one of our eager and loyal supporters of the football team. Dancing is a favorite activity of Bonnie's, one at which she is quite good. May her life be as "Bonnie" as she has made ours at Pottsville High!

RICHARD BEVAN

An affable guy with an engaging personality rightly describes our "Rich." English class, (Miss Foley's, naturally!) was voted tops with him. In the field of sports, he seems to favor football and basketball the most. "Rich's" spare time outside of school is spent by building missile models. Receiving this likeable fellow in September is Penn State, where he will commence to conquer the field of drafting. We wish "riches" in everything to you, "Rich"!

ROBERT BOARDMAN

If you hear a voice telling a crowd tales of adventurous hunting and fishing trips, you can be sure it's our "Bob." He has also found much time for his favorite form of exercise — swimming. "Bob" claims these four years have been the best years of his life. Although his future is not definitely decided, he hopes to join the Navy. All of your friends wish you a sea of good fortune, "Bob"!

WILLIAM BEVAN

Muscular and good-looking, "Bill" has been a member of the Commercial Course. Sports were rated on his list of favorite activities. Weight-lifting (Get a load of those biceps!), hunting, water-skiing, and cars took up most of his spare time. Sometime after graduation, "Bill" plans to enlist in the United States Air Force. To a future "High and Mighty" we want to wish a successful career and a lifetime of joy and happiness.

JOSEPH BONDURA

"Joe," possessing quite a happy-go-lucky attitude and in addition, very good looks, became a student in Mr. Curran's Distributive Education Class for his senior year. He is a fellow who is always eager to participate in a boxing match. However, he also be content to watch on television, if there's one around to take him on. Although his plans for after graduation are not certain, "Joe" will undoubtedly make the most of his abilities.

JAMES BEVERIDGE

At a party, in the halls, or just anywhere, "Jim's" infectious laugh could always be heard above the rest. It was no surprise to us when "Jimmy," one of our varsity football team's co-captains and its high scorer, was chosen for the Annual Dream Game, the All-County Team, and the Keystone All-Conference Team. He also co-captained Mr. Sterner's fine track squad. We of '61 shall never forget you, "Jim," as you depart for college and the teaching profession!

MARIANNE BONES

Pretty, popular, and peppy are only a few adjectives that describe our Marianne. Her activities include being secretary of the Sketch Club, vice-president of Spanish Club, and a member of the Annual Staff. During her spare time, Marianne enjoys swimming, ice-skating, horseback riding, and reading. Upon graduation, she will attend an art school. We the Class of '61, wish the very best to this future artist.

ROBERT BOSACK

"Bob," hailing from Mar-
n, has indeed been an asset
to our class. One of Mr.
lynn's pride and joys, this
o-captain of the 1960 squad
proved his capability on the
ridiron by being chosen for
the Annual Dream Game and
as the Lions Club most val-
uable player! Sports, parties,
and cars seem to be his main
interests. He served as class
resident for two years and
was also a member of Na-
tional Honor Society. Good
luck, "Bob," in whatever you
attempt!

RUTH BOUGHEY

This vivacious miss in-
cluded photography, horse-
back riding, and music in her
sphere of many activities.
Ruth eagerly contributed her
talents to French Club, Al-
leed Youth, Biology Club, G.
A., Hi-S-Potts Newspaper,
and Home Ec Club, of which
she was secretary. With her
engaging personality, we are
sure Ruth will win the hearts
of many in her future travels
around the globe. Near or
far, Ruth carries our sincer-
est wishes for peace and con-
tinment with her!

JOSEPH BOUND

"Joe," a very likeable mem-
ber of our great class, has
made many friends in his
four-year stay at P. H. S. He
enjoys basketball, football,
and track. In fact, all kinds
of sports hold his interest.
Joe served a very capable
term as Master Councilor of
eMolay. Although his fu-
ture is undecided, we are
sure he will find success in
whatever he does!

HARRY BOWERS

"Men of few words are
the best men." This saying
quite true of our Harry.
He was an ambitious student
in the Electric Shop. Accord-
ing to him, history and phys-
ics were his best-liked sub-
jects. Hunting, fishing, ice-
skating, and shooting were
some of his recreational in-
terests. A hitch in Uncle
Sam's Navy comes right
after graduation. And then?
This is one future electrician
who will really send the
parks flying!

ANN MARIE BROWN

To find Ann Marie, just
look for a friendly smile and
a personality as bright as the
sun. During her stay at P. H.
S., Ann Marie was a mem-
ber of the Library Club, A.
Y., Senior Y-Teens, A Cap-
pella Choir, and secretary of
the Girls' Athletic Associa-
tion. Mr. Breslin was fortu-
nate to have her working in
the Vocational Office during
her senior year. Ann Marie
plans to become an ace-se-
cretary. A tip of our senior
beanies to you, "Brownie"!

CARL BROWN

Carl is a well-liked, friend-
ly, and very good-looking
boy who enjoyed his four
years at P. H. S. tremendously.
His main interest was in
sports, and he rated track
and basketball as tops. Aside
from these, Carl also had
time to render his services to
the Student Council during
his freshman and sophomore
years. This lad hopes to join
the Air Force when he leaves
our "Castle on the Hill" in
June. Here's wishing you
"happy landings," Carl!

MICHAEL BROWN

If awards were presented
for the Best Dressed Boy in
P. H. S., this good-looking
guy would certainly rank
high. As one of Mr. Flynn's
famous eleven, he capably
filled the berth of fullback.
"Mike" rates chess and Ger-
man (?) classes, parties, foot-
ball, and Mickey's as tops.
His activities included A. Y.,
Student Council, president of
our freshman class and home-
room president for three
years. "Mike's" future plans
include college. We are pos-
itive success will be his!

KATHLEEN BUEHLER

This bundle of pep and
fun could always be found
ready for a party. She was
able to be seen at every
football game cheering wild-
ly for "her hero." Besides
being a piper in the High-
land Lassie Corps, she was
a member of G. A. A. and a
typist on the Hi-S-Potts
Newspaper Staff. After grad-
uation, "Kathy" plans to
work for a while before go-
ing to a school in Kansas
City to be an airline hostess.
High flying to you, "Kathy"!

JOLENE BURINSKY

Jolene, as anyone can see, is one of our fairest. We'll be everlastingly grateful to Middleport for sending her to us. She claims that math class has been THE class with her. Her personality and willingness to help others have made her well liked by everyone. Much of her time was given to Biology Club. As Jolene casts her lot in nursing, we know she'll not be weighed in the balance and found wanting.

GARY CARTER

This cute and popular boy will long be remembered for his exceptional ability at kicking the pigskin over the goal post. When not on the gridiron, Gary could usually be found either on the basketball court or the baseball diamond. The classrooms which he attended were definitely brightened by his sunny disposition and sense of humor. Upon graduation Gary plans to widen his traveling experience at the expense of Uncle Sam in the U. S. Navy.

CLAYTON CAIRNS

Every boy seems to like hunting, and "Clayt," who is ALL boy, is naturally no exception to the rule. During the proper season, even his own family and close friends can truthfully call him "the little man who wasn't there." He is also a "walking encyclopedia" on any kind of car, once you get him started. After graduation, Clayton plans to study mechanics in the Air Force. Go to it, boy, and loads of luck!

BERNARD CHIZAUSKIE

Coming to us in his sophomore year from Blyth Township, "Bernie" hails from New Philadelphia. He was in the Vocational Course, and selected the Auto Shop in order to work with cars and engines. In his spare time, "Bernie" builds model cars which he himself designs. May only the best go with him when he leaves us to tour the world as a enlistee of Uncle Sam's Air Force!

ANDREA CALVIN

"Andi" is a small package of friendliness decked in lovely black hair and enclosed with an unending ribbon of gay laughter. A very efficient student in the Commercial Course, she lent many a helping hand in the Commercial Lab. Andrea also devoted much time and effort to the Girls' Athletic Association and Senior Y-Teens. The Empire Beauty School will receive our "Andi" in the near future. And she has our best wishes, with no strings attached!

CHARLOTTE CHOLKO

Gregarious Charlotte, never happy unless she's with "the crowd," can usually be found at—you guessed it—the Globe or Mickey's. Traveling to and from these places, and wherever else she may roam, Charlotte could be found in a green Buick. At P. H. S., her favorite classrooms were typing and shorthand. After school, she enjoyed G. A. A., majorette, Hi-S-Potts Newspaper Staff, and Senior Y-Teens. May life pour gallons of success on all her future endeavors!

SANDRA CAMPBELL

Scotch? Not our "Sandy"! Even with a name such as Campbell, she freely dispenses with everything, from her sparkling smile to her helpful advice. "Sandy" enjoys companionship, so her favorite activities—roller-skating, dancing, and belonging to the Rainbow Girls—are always done with her many friends. From now on, "Sandy's" theme song will be: "Goldey Beacom, here I come!" May all her Campbell ancestors toot their bagpipes in honor of this lass—a sure success.

ELSIE CICCANTI

A bundle of pep and energy with a love of life—that's our Elsie. An enrollee in the Distributive Education Class, she spent her senior year under the careful supervision of Miss Curran. Elsie kept W. T. Grant hopping with her great sense of humor. Dancing at Renninger and listening to popular records are her favorite pastimes. Elsie plans to become a Bell Telephone operator upon graduation. We predict a future "ringing with joy" for her.

A bundle of pep and energy with a smile for all best describes our Nancy. During her four years, Nancy has lent her talents to Library Club, G. A. A., Spanish Club, Allied Youth (treasurer), Biology Club, and the Highland Lassies. Dancing and swimming are rated high in Nancy's list of activities. Although her future is undecided, we wish her much success and happiness in whatever she chooses.

Sallie has been a very cheerful and well-liked classmate of ours. This talkative lady has devoted her time to Allied Youth, Biology Club, A. A., and the Kiltie corps. "Sal" has also been a very capable co-editor of our **Hi-S-Potts** Newspaper. We are sure she will never forget her favorite period—Miss Foley's English class. After graduation, she plans to enter a junior college and enroll in an Executive Secretarial Course. Yep, she's our gal "Sal"!!

Helene, whose friendly smile is absolutely contagious, is another favorite Port Carbonite. This pleasant miss is always cheerful and witty. "Yeich" displayed her talents in A Cappella and the very fine Vocalaires besides Biology Club, Home Ec Club, and the **Hi-S-Potts** Newspaper Staff. Her most enjoyed pastimes include playing the piano, ice-skating, and—traveling to Saint Clair?? Helene's academic studies have paved the way for an elementary teaching career. (Those fortunate children!)

John is one of our quiet members—that is, until you get to know him. He enjoys sports, but especially baseball, being one of Mr. Berle's top players. "Conc" who hails from Port Arison, has gained many friends here during his stay at Pottsville High. After graduation, John will be "flying high" in the United States Air Force. Here's hoping he reaches the stars!

Pleasant and attractive are two adjectives that best describe our Kathleen. "Sandy," as she is known to us, likes to spend her leisure time listening to records, especially Hillbilly and the Jordan Brothers. In her senior year she became a member of Miss Curran's Distributive Education Class. "Sandy" plans to become either a secretary or a teacher after high school. To this affable young miss we wish only the very best life has to offer.

"J. P.," one of Mr. Flynn's boys, claims that sports and cars are tops. As a tackle on the varsity football team for two years, member of the basketball and track teams, he won his letters while he won our admiration. This year "Bob" was awarded the Most Valuable Player Award at the Dream Game. He was also a member of the Student Council. All our best wishes go with "Bob" as he endeavors to conquer the field of engineering!

"Coop," Pottsville High's answer to Bob Richards, the pole vaulter, has been an asset to our track and field team and cross country team. Besides being interested in track, Tom also enjoys watching football games. As to future plans, "Tom" can't decide between college or the Air Force. However, his real ambition is to represent the United States on the Olympic Team in 1964 or 1968. We wish him only the very best!

Here comes that red Impala! Naturally, Harold is in the driver's seat! Harold enjoys building model cars and going to Mickey's, but his main hobby is taking care of the Impala. He can often be found preparing for a spin in his "red bomb." Harold plans to enter the Air Force, after which he would like to work with General Motors. We know that with his engaging personality and capabilities Harold is sure to succeed.

BRUCE COVANY

Bruce was one of the able actors of our Senior Play cast, and he was a great success. The Pep Band and other activities of the Band took up a lot of Bruce's time. He professes that his favorite subjects were chemistry and Miss Foley's English class. His plans in the future include attending college, preferably Penn State, and studying drafting and design. We all wish Bruce success in his years after leaving "Old High"!

BARBARA DEIBLER

How lucky our class has been to have as one of its members a girl such as "Barbie"! While at P. H. S. "Barbie" was vice-president of the Library Club, and a faithful member of A. Y. Home Ec Club, Annual Staff and Biology Club. But no matter how busy "Barbie" seemed to be, she always found time to lend a helping hand. To a really wonderful girl and future librarian give our best wishes for success and happiness!

HARRY CROSSWELL

Fine scholastic ability, a keen sense of humor, wit, and friendliness all helped Harry win the admiration of every one of us. These creditable traits made him an "ambassador to Switzerland" as our foreign exchange student. During his senior year, Harry served capably as president of the Student Council, as a member of T. K. D., and on the football and track teams. As he prepares for a career in the field of medicine, Harry has the heartiest recommendations of all who know him.

DIANE DeLONG

Diane, one of Port Carbon's favorite daughters, considers her senior year as the most. Portraying Mrs. Chertington in "Home Sweet Homicide" was an unforgettable experience for "Diane" and she did a very commendable job of it. Diane lent much time to Biology Club, G. A. A., and the Junior Volunteer Nursing Corp. We offer this comment for Diane's future: "Before marriage a man yearns for a woman; after marriage the 'y' is silent." Happy home making, Diane!

CECELIA D'ALFONSO

"Giggles" should be this dark-haired lady's middle name. With a smile and a cheery "Hi" for all, Cecelia has been a familiar figure in the halls of P. H. S. She very capably and faithfully served on the Hi-S-Potts Newspaper Staff, in the Girls' Athletic Association, and as secretary of the Library Club. Concerning outside-of-school interests, she likes dancing and swimming. We're certain Cecelia will soothe many a fevered brow after she is "capped"!

ROBERT DERR

The fellow you see zooming around in O'Brien's Mercedes Market car is none other than our "Bip." He started out at P. H. S. as one of our Shop boys and then switched to the Distributive Education Class. "Bob" served as president of his homeroom in his junior year. "Bob's" first love is his car; sports rate second. To this future Air Force man, we wish the best luck as he plots his celestial course.

CHARLES DANDO

"Butch," quite the man about town, claims that going out at night is great. This cute and quiet (that is, until you get to know him!) senior is always loads of fun to be with. Just ask any one of his many friends. The Electric Shop captured "Butch's" interest while at Pottsville High. He intends to further his electronics training after graduation. This is a wise choice, because "Butch" has an electrifying personality!

MARGARET DEVITT

"A cute gal with lots of pep"—this best describes our "Peg." An ardent fan of sports, she had a permanent seat at all our games. She also devoted much of her time to Annual Staff, National Honor Society, G. A. A. (president), All Club Council, and Senior Y-Teen (president). "Peg" can usually be found dancing at the Globe on Saturday night. To a future secretary give our wishes for the best of everything from the Class of '61.

GEORGE DICUS

With such bright red hair George is suspected of having a terrible temper; but, on the contrary, his disposition is gay and sunny. Though "Dicus" and "discus" are almost identical, George's specialty on Mr. Sterner's track team is the shot put. George is now preparing for either college or the United States Air Force. Have no fear, George—we know you'll impress your professor or your sergeant just as you've impressed us!

JOSEPH DINICH

An explosion in the chemistry lab?? That can usually mean that "Joe's" been experimenting with something. Name anything from oxygen to mercury to gunpowder, and "Joe" will happily prepare it. When not causing panics on the third floor, he likes to attend typing class, drive around in his car, and participate in sports. We hope that "Joe's" college years will begin with a "bang" and that his formula for success is correctly balanced!

JAMES DILCHER

"Untroubled of mind because minding no trouble." "Jim," fun-loving and carefree, certainly is typical of his statement. All who knew him were captivated by his friendly smile and unassuming manner. Besides being kept quite busy with Luther League, "Jim" found time to indulge in his favorite sport, tennis. As for the future, he plans to enter college. To you, "Jim," we wish fame and fortune as you scale life's wall to the very top!

JUDITH DOUGHERTY

With a pleasing personality and a quiet manner, "Judy" brightened the halls of Pottsville High, and gathered a retinue of friends. She could very often be found dancing to the music of the Jordan Brothers at Renninger's and listening to popular records. After leaving us in June, "Judy's" goal is to become an X-ray technician. Regretfully watching her leave, we hope that none of her endeavors turn out "negatively."

GEORGE DILLMAN

Need a haircut? Well, just look up our George, who is now a student barber. However, he later plans to become a professional one. During his senior year, George became a member of the Distributive Education Class. He'll tell anyone that it is "tops." Sports of all kinds, especially baseball and boxing, are his favorite pastimes. With every haircut and shave you give, George, remember: Your classmates of '61 are with you all the way!

HOWARD DRY

Friendliness, sociability, and ambition are only a few of the many traits which our fellow classmate, Howard, possesses. Among his varied activities, A Cappella Choir ranked as "number one." However, Mr. Schnerring's chem class and Miss Foley's English class were also next at the top of the list. After graduation, Howard will set out to conquer the field of medicine. We are confident that his stream of patients will never run "Dry"!

LAURA DILLOW

Laura, coming to us from Mt. Hope, is one of the quietest girls in our class. Besides reading and sports, Laura puts horseback riding on the top of her list of favorite hobbies. During her stay on "the Hill," she was a member of the Biology Club, Allied Youth, the Home Ec Club, and the Distributive Education Class. Although her future plans are uncertain now, we are confident that good fortune will be hers!

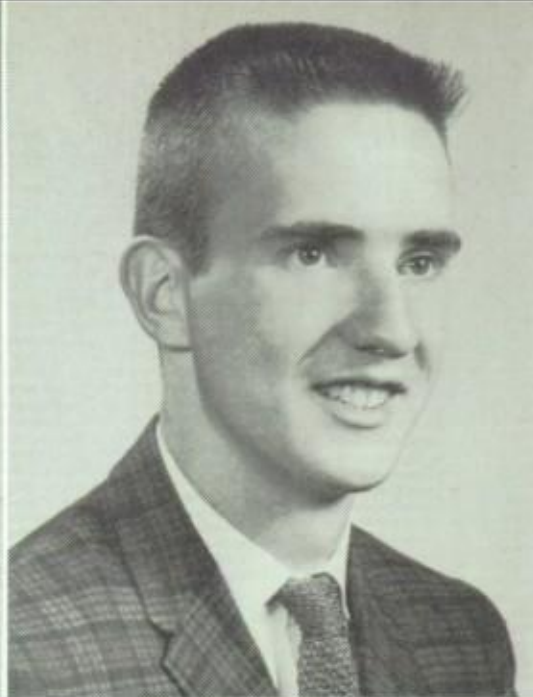

WILBERT DUTTER

John,
This quiet, reserved guy was a real asset to our great class. In addition to his extracurricular activities, which included *Tutoring and Sports*, he was a member of the Student Council, of which he was treasurer. "Will" participated in cross country and track. He also served as vice-president of our senior class. Although "Will" claims that girls are one of his dislikes, we know better. To this future business executive, we wish the best of luck and success.
Will

GEORGE ECKERT

That extra-tall, lanky figure loping down the hall could be none other than "Tex." This active member of the Machine Shop claims that math, drafting, and history were his favorite classes. The outside activities that captured his interest were swimming, hunting, and football games. After graduation, George plans to enter some branch of the Service. The Class of '61 proudly looks up to this member as we wish him all the best and more!

JOHN ELISON

Handsome, good-natured, athletic — this sounds like anyone's dream man! And our "Jack" is just that — a great addition to the Class of 1961. On the gridiron "Jack" was a tough opponent, as witnessed by many "enemy" football players, and on the baseball diamond he's a double threat, in both batting and hitting. Add to this picture an organizational man — "Jack's" president of T.K.D. To a future Air Force pilot we say, "May your future skies always be blue!"

JOYCE ECKERT

Joyce is another one of our many classmates who are proud to claim Palo Alto as their home. Her favorite subjects have been English and biology. Joyce was a loyal member of the Junior Choir in her freshman year. She also gave her faithful support to our football and basketball teams all through her four years at P.H.S. May success be yours, Joyce, as you become a Bell Telephone operator!

ELIZABETH ELLIOTT

Quiet, intelligent, and dependable, "Liz" will long be remembered for her contributions to Pottsville High National Honor Society, Home Ec Club, and Biology Club have received many bright ideas from this gal. A talented flutist and piccolo player, "Liz" participated in both District Band and District Orchestra. Some luck in college will be proud to number this chemistry major among its students. We know she will find the perfect formula for success and happiness.

ELAINE EICH

Those raven-colored locks and that ready, cheerful smile belong to none other than our Elaine, who has been a very well-liked classmate of ours. "Icky" especially enjoyed singing (with her oh, so lovely voice) and thinking about Saint Clair. During school days, her favorites were A Cappella Choir and Mr. Haberle's homeroom. Her future? Elaine plans to become a top-notch beautician. So off we go to "Madame Elaine's Beauty Salon."

LA MAR EMERY

This talented and popular fellow holds the respect and admiration of everyone, both students and faculty alike. With his flair for leadership, LaMar competently served as a student conductor and vice-president of the P.H.S. Band. He very ably augmented our dance band, the Crispsonaires, with his fine trumpet playing. Dentistry has been selected by him for his career. May LaMar always sound his trumpet loudly and clearly to the tune of Success!

CAROLE EILER

This attractive, cheerful, ever-smiling miss was one of our high-stepping majorettes. As a member of the Hi-S-Potts Newspaper Staff and Senior Play cast, Carole has contributed much to P.H.S. Besides these activities, she also found time for dancing, swimming, and, most important of all, skating. As Carole enters the Pottsville Hospital to become an X-ray technician, we can only hope that the future will be a rewarding treasure to this deserving girl!

ROBERT ERNST

"Bob" is an avid addict of television, and, when peeking in his window, you're sure to see him sitting before the T. V. set. In the summer "Bob" enjoys swimming; in the winter, hunting; and a year 'round, cars. That 1955 Chevy you may have noticed belongs to him. Another favorite pastime of his is listening to the top records of the day. Though his future is still not definite, we wish "Bob" everything good!

ROBERT FARLOW

Behold the P. H. S. Band president! Because of his cheerful, happy-go-lucky disposition, "Bob" is well liked by his fellow classmates. He rates Band, chem class, art, and baseball as tops. He belongs to Biology Club, Sketch Club, the Pep and Dance Bands, as well as the baseball team. "Bob," still uncertain about the future, has our sincerest wishes for success in whatever career he chooses.

CHARLES FEES

Easy-going and agreeable best describe this fellow of few words. "Billy" is one of Port Carbon's contributions to Pottsville High. His greatest interest was in mechanical work, especially cars. He usually spent his spare time helping at his dad's gas station or just driving around in his car. Although "Bill" is still undecided about his future plans, we are sure his good nature and ability will follow him wherever he goes.

JOHN FARRELL

Such an outdoor man is our "Fleets" that every year he can hardly wait for hunting season to arrive! When the big day finally comes, he's "off like a shot(!)" to enjoy his favorite type of relaxation. Wood Shop claims his allegiance, and "Fleets" is certainly true and loyal to his, his favorite class. Our John is Navy bound, and with him go all of our best wishes for success in every port!

EDWARD FELKER

This talented lad, also known as Sergeant O'Hare, will long be remembered for his great role in the Senior Play. "Eddie" could usually be found bowling, tinkering with a car, or just driving around. Chemistry class and singing in the A Cappella Choir rated tops with him. Next fall we will find "Ed" entering college to become a top-notch civil engineer. All the very best to a great guy from a great class—the Class of '61!

WILLIAM FARRELL

"Wake up, 'Bill'!" is a familiar refrain to this amiable guy, who spends most of his time either dozing or just plain sleeping. "Bill" was wide awake in one class, however — Mr. Wilbur's gym class, his favorite. He also propped his eyes open long enough to become a competent, capable industrial student, well-liked by both teachers and classmates. His future is indefinite now, but "Bill" certainly has all the makings of a fine man.

CAROL FENSTERMACHER

Carol, though more quiet and reserved than some others of '61, has been a very pleasant gal to have around. During her years in P. H. S., she listed World History and law as her favorite subjects. Carol also enjoyed participating on the girls' basketball team after school. Some of her other interests include collecting magazines, painting, swimming, and horseback riding. "May the best she wishes for be the worst she receives."

CAROL ANN FEES

Though shy and quiet, Carol's presence here at Pottsville High was still known to everyone. In her spare time, she enjoys reading, painting, skating, playing the piano, and swimming. While at P. H. S., Carol liked to participate on the after-school volley ball and baseball teams. Her favorite subjects were English, typing, and sales. Carol's commercial training will certainly enable her to fulfill her ambition of becoming either a secretary or an advanced sales clerk.

JOHN FERNSLER

John, a very friendly guy, claims that his main interest lies in the Electric Shop. After graduation, he hopes to use his knowledge from there in order to become a top-notch electrician. John spends his spare time hiking, camping, and swimming. He also ably lent his talent to the projection booth and was a manager of the varsity basketball team. May you attain the goals to which you aspire, John!

Best of luck to you in your future endeavors!
John

KATHRYN FORAN

"Yea, team!" and "Si, si, Senor!" are "Kathy's" favorite expressions, for—as you may have guessed—she is an avid sports lover and a staunch supporter of the Spanish Club. "Kathy" also frequented the Commercial Lab whenever she was able. In the future, she plans to be an expert on waves—not ocean, but permanent—and we know that nothing but good fortune lies ahead for such an accomplished beautician as our "Kathy" will be!

JAMES FURNESS

Who's that cute fellow with the brown crew-cut? Of course, he's our "Jim." Outside of his "green bomb," he liked all sports and was one of Mr. Sterner's discus throwers. "Jim" was also a very talented member of the Sketch Club. To become either a commercial artist or an aeronautical engineer is his desire. Everyone in the class wants to join in wishing that "Jim's" ambition be fulfilled.

RAYMOND FOWLES

Carefree, full of fun, and always ready for a good joke, these are a few of the highlights that best give a picture of our Mr. Raymond. His most prized possession (and his only love?) was his green Chevy. Unfortunately, we lost Raymond in October of our senior year, when he moved to Clarks Summit. There he has already made many friends and risen to popularity. May happiness be yours, "Ray," as you further your education in college!

NADINE GAFFNEY

This attractive red-head with a sense of humor has contributed much to P. H. S. In school, "Dini" has offered her services to Home Ec. Club, Biology Club, Band G. A. A., the Annual Staff and Senior Y-Teens. She claims German and chemistry classes as "tops." Most of her spare time is spent at Mickey's, parties, or just riding around. After graduation, "Dini" plans to obtain a nursing degree. May she have the best of luck in her future career.

FAYE LaVERN FRANTZ

Faye, with a cheerful smile and friendly manner, gained many friends as she passed through the halls of Pottsville High. Though she was an active member of Spanish Club, Home Ec. Club, and the Junior Volunteer Nursing Corps, fun-loving Faye could always find time to dance to the music of her favorite singers, the Jordan Brothers. Although she is undecided about her future, we are sure Faye will be appreciated in whatever she endeavors!

MARY JANE GALL

Although Mary Jane didn't enter P. H. S. until the middle of her sophomore year, she has made many friends here. This tall, shy(?) blond enjoyed most of the Commercial Course activities: Dancing, watching television, and reading seemed to be Mary Jane's favorite hobbies. She also spent some time out of doors, walking in the woods or swimming. The Class of '61 extends sincere wishes for happiness and success in Mary Jane's future!

JEROME FREDERICK

"Wow! What a smile!" is the first thought of most people upon meeting "Rock"! Behind his flashing grin this happy young man hides a ready sense of humor and an especial electrical talent. Jalappa is the lucky part of Pottsville to claim our "Jerry," who is always surrounded by some of his friends. "Rock" has been an invaluable member of the stage crew, so we know his future as an electrician will be prosperous!

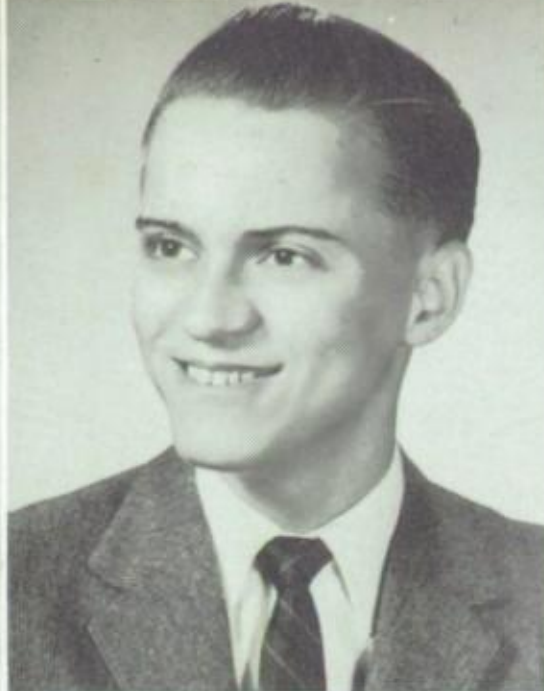

CHARLES GAUKER

1... and 2... and that's our "Eddie," student director of the Band. One of the taller members of the Class of '61, he always had a friendly "Hi!" for everyone. "Eddie's" main hobbies were hunting, fishing, and dancing when he wasn't acting as secretary of the Band or rehearsing with the Dance Band. Upon graduation, "Eddie" hopes to enter the Naval School of Music in Washington, D. C., and with much regret we watch him leave!

BEVERLY HECKMAN

With her ever-present smile and amiable personality, "Bev" certainly has been a credit to our class. She claims that Miss Foley's English class and World Literature class were her favorite periods during the day. We know she also found plenty of time for Spanish Club, of which she was president, Home Ec Club, Biology Club, A Cappella Choir, and the Hi-S-Potts Newspaper Staff. "Bev," may your future be all that you want it to be.

RONALD HEIM

From West Race Street comes this ambitious student enrolled in the Vocational Course. "Ron," a "Wood Shopper," has one great desire—to become a carpenter. When not in school working toward his goal, "Ron" collects stamps and goes fishing. In a joking(?) manner the carefree chap tells us that his favorite class is "lunch." The Class of '61 takes its hats off to this future soldier or sailor. "Wood" that he be successful!

JUDITH HEFFNER

Friendly, lively, and oh, so fun-loving, "Judi" has gathered many friends during her years at P. H. S. This bustling young lass was an ardent member of Home Ec Club, G. A. A., Biology Club, Hi-S-Potts Newspaper Staff, Y-Teens, and Spanish Club (treasurer). Among her other interests are dancing, swimming, horseback riding, and—of course, food! "Judi" is on her way to a nursing career, and we'll always recall with pleasure her breezy disposition. What a bedside manner SHE'll have!

CHARLOTTE HEINBACH

"Her ways are all of pleasantness—and her paths are all of peace." This, more than anything else we can say, aptly describes our Charlotte. She has donated her time to the Band, Allied Youth, G. A. A., Senior Y-Teens, National Honor Society, and French Club (vice prez, no less). Out of many various activities, dancing is one of her pleasantest. Charlotte's ambition to become a math teacher is bound to please her fortunate pupils!

VIRGINIA HEFFNER

"Ginny," a very pleasant and warm-hearted girl, likes to spend her time participating in sports. Included in these are: ice-skating, skiing, swimming, and many others. Collecting records seems to be her main hobby. "Ginny" plans to study beautician work after graduation. Some time in her future, she hopes to travel to all parts of the world. So, "Ginny," as you journey up the road to success, you carry our very best wishes with you!

DANIEL HEINLY

"Danny" is a friendly and handsome fellow whom one can imagine saying, "My idea of an agreeable person is a person who agrees with me." Joining us in his sophomore year, he claims he likes the "Castle on the Hill" very much. Football and basketball were his favorite sports, though he actually enjoyed all kinds. We wish our "Danny Boy" the best of good fortune as he leaves us for Uncle Sam in the Air Force.

ELAINE HEIM

Short, peppy, and friendly apply to Elaine. Her interests lie in the fields of horseback riding, swimming, dancing, and skating. While in high school, she participated in Home Ec Club, on the Hi-S-Potts Newspaper Staff, and in G. A. A. Though she is undecided as to whether she will be a secretary or a salesgirl, we, the Class of '61, wish her the very best.

KAREN HELLER

Delightfully dimpled is one of Karen's face, and ever effervescent is her personality. Besides being a talented piper for the Highland Lassies, Karen has also belonged to A. I. D., Allied Youth, Biology Club, and G. A. A. She has been district president of the Luther League too, and a fine Madam Prexy she was, we might add! Nothing deters Karen not even apparently unsolvable chem problems; she finds the solution. May you solve your patients' problems so easily, "Nurse Karen"!

MARTIN GURIS

A native of New Philadelphia, "Buddy" attended Lythe Township High School for two years, during which he was a member of the football team. "Buddy" claims he has enjoyed his years at P. H. S. and his work in the Vocational Course. His spare time is spent hunting and fishing. After graduation, "Buddy" plans to enter the Service. As you leave, "Buddy," your many friends at Pottsville High wish you the very best of luck and success!

WILLIAM HAND

"Bill," an avid booster of our fine football, basketball, and baseball teams, could always be found supporting our class, too. In his free time, he enjoyed hunting, bowling, and playing baseball. "Bill" looked forward to mathematics and English classes every day. After graduation, he plans to enter the business field. We are sure that he'll need no helping "Hand" as he climbs the ladder of success.

BEVERLEY HAAG

Beverley is a very attractive girl who made the daily trek from Palo Alto. While in the "Hill," she was active in the Home Ec Club and Senior Y-Teens. In her senior year, she centered her attention on things pertaining to Distributive Education. Bev's main recreational interests include skating and dancing. Her future plans are undecided, but she may enter the Rembrandt Beauty Academy. The Class of '61 will miss Beverley. We think she's terrific!

ROBERT HANNAWAY

Every member of the Pottsville High Sketch Club enjoys drawing and sketching, and "Bob" is certainly no exception. His jolly grin, handsome face, and charm combine with artistic talent to create a well-rounded and well-liked young man. "Bob" plans to enter an art school in September and we are able to foretell now that he will have nothing but a most satisfactory and shining future as a commercial artist or illustrator.

NED HAMILTON

Quiet and mild of disposition, Ned has been the perfect pal to anyone in need. His widely divergent interests include baseball, the Pottsville High Band, and the Commercial Course, which adds to Ned's plans for after high school. Ahead of him is a career as an accountant, and a highly successful one it will surely be. We hope, Ned, that as you count money, you'll also be counting your many blessings!

HELEN HARVEY

This pretty, perky miss claims that her school days have really been wonderful. Upon coming to Pottsville High, Helen immediately became a gym assistant and a member of the Freshman Home Ec Club; now she also participates in the Biology Club, on the Hi-S-Potts Newspaper Staff, and in the A Cappella Choir. Upon graduation, Helen's typing and shorthand will be useful, as she plans to become a secretary in a large business concern. May all your wishes be granted, Helen!

JOHN NELSON HAMMOND

"Rocky," as he is known by his friends, has been an avid sports fan during his Pottsville High stay. He did a marvelous job of managing our great 1960 football squad. John admits that his favorite pastime is just plain loafing. In the future, he plans to enter the United States Air Force. We wish luck and goodspeed to this prospective serviceman, whom we know will attain his goal.

MARGARET HAY

This tall, good-looking lass considers football and basketball games, horseback riding, swimming, dancing, skating, and Miss Foley's English class as her favorites. "Peggy," who is an amiable member of the Academic Course, also found time for G.A.A., the Highland Lassie Corps, Allied Youth, Senior Y-Teens, French Club, of which she was president, and the Hi-S-Potts Annual Staff. Upon graduation, "Peggy" plans to enter a state college and become an elementary teacher. Good luck in everything, "Peg"!

FRANCIS GINTHER

The shy guy whom you meet now is a really "rare chap," because he is one of the chosen few who are esteemed for quiet cooperation. This fellow from the Wood Shop is exceptionally fond of carpentry, and eventually plans to make it his life's work. But first, reluctantly saying "So Long!", we contribute "Fran" to Uncle Sam's Navy, as he leaves his many friends here in the halls of Pottsville High.

JOHN GRAZIS

Whether dribbling a ball down the court or hitting a home run, "Lou" is the finest example of an all-around sportsman. Although sports really made his world go 'round, this handsome chap also found time to be a member of T. K. D. and to have fun whenever and wherever possible. To a future top notch pharmacist and one who will long be remembered at P. H. S., we prescribe the following: Health, wealth and happiness. Mix well and take in large doses!

BEVERLY GLASS

Friendly and sociable describe this popular member of our class. As editor of **Hi-S-Potts** Newspaper, "Bev" did a wonderful job. She still had time for G.A.A., French Club, Spanish Club, and Library Club, along with Senior Y-Teens. Reading, Miss Foley's English class, and plane G (or is it Mr. Brady?) rate high with her. After graduation, Beverly wants to attend Millersville State College and become an English teacher. The Class of '61 wishes her the very best!

GERALDINE GREGOR

This cute little blonde has made many friends during her high school days. Her friendly smile, cheerful "Hi!", and wonderful personality confirm the statement—"Good things come in small packages." "Gerry's" presence was surely felt since she was vice-president of the Student Council, chairman of the All Club Council, a member of Allied Youth, on the **Hi-S-Potts** Newspaper Staff, and a member of the Sketch Club. Upon a future nurse we bestow our very best wishes!

ROBERT GLASSMIRE

Here enters our "Bob," playing the clarinet! Yes, that's right, our Band commanded "Bob's" allegiance while he was attending Pottsville High. A boy of few words, his friends say he is a lot of fun when one really gets to know him. Next on "Bob's" agenda for the future years is a college education. After that, who knows? But whatever career "Bob" may choose, we know that he won't be anything but a total success.

DAVID GRIFFITHS

Hailing from Jalappa, this lad has made many friends during his stay at P. H. S. "Dave" asserts that high on his list of likes are football games, driving, and chemistry. On the basketball team he proved his talents at one of his favorite sports. His plans for after graduation "Dave" hopes to enter college and study drafting. Since it is obvious he has what it takes, we shall never fret over "Dave's" future.

JACQUELINE GLENN

As a member of the editorial staff of the **Hi-S-Potts** Newspaper, "Jackie" did a fine job. Being vice-president of the Girls' Athletic Association was also a job well done. She took an active part in girls' after-school intramural sports and in her spare time she enjoyed reading. In school, "Jackie" looked forward to shorthand and English classes. To this future woman of the business world we wish much success and good fortune!

LOUIS GROSSMAN

If you hear a good joke and then a contagious laugh "Louie's" probably near by. This dark curly haired member of the senior class has two great passions—his ham radio and his yellow jeep. Dexterous "Louie" has built and operated his ham radio single-handed, and it is his pride and joy. And without that yellow jeep he just doesn't seem complete. We feel sure that "Louie" will rush to success with his customary exuberance.

JANE GAUL

Jane is a friendly girl who rates her high school years as the most enjoyable of all. She spends much of her time sewing or reading, but also enjoys dancing, swimming, and ice-skating. Jane was in the Commercial Course. As of now she is not quite sure what she would like to do in the future. We know, though, that with her wonderful attributes, she is sure to succeed in life.

THOMAS GEORGE

Here is our "Tommy," a typical high school boy, who came to P. H. S. in his junior year. "Tom," well-liked by everyone, was always at home on either the gridiron or the baseball diamond; and he ranked among the best on both. When not whizzing around town in his blue station wagon, he could probably be found up at Mickey's. To "Tom" the Class of '61 wishes health, wealth, and happiness in his chosen field of work.

PERRY GEBHARDT

A cloud of dust, a dull roar, and there goes Perry in his hot blue Ford! This tall, hefty member of our class could usually be found working at a gas station, attending a party, or just riding around. He claims that all types of cars, but especially his own, occupy most of his spare time. Perry's future plans include joining the Marines to further his education. Perry is one who deserves only the best — and may he get it!

BARBARA GERBER

"Barb," a loyal fan of Pottsville High, could always be found cheering her heart out for the Crimson Tide at a football or basketball game. During her stay on the "Hill," she was a member of Allied Youth, which she greatly enjoyed. Mr. Malley's law class rated as tops on this gal's list. Barbara is uncertain about what her future holds, but we are sure it will be filled with happiness, joy, and prosperity!

CHARLOTTE GEISSLER

Cute, red-headed, and ever so tiny, Charlotte has been a member of our Commercial Course for the past four years. Charlotte enjoys dancing at Renninger's to the music of the Jordan Brothers, going to the movies, listening to records, and roller-skating. All the luck in the world goes to Charlotte as she begins her career at the Empire Beauty School!

JUDITH GETTIS

"Judy," one who usually kept her thoughts to herself, was enrolled in the General Clerical Course. She said that swimming, dancing, roller-skating, and ice-skating are sources of delight to her. Math, typing, and English were considered tops by "Judy" during her stay at P. H. S. She also lent her time to the Order of the Rainbow Girls. As to the future, "Judy" plans to become a Wave in the Woman's Marine Corps.

DEAN GEIST

STRIKE! No, not baseball, but bowling, and that familiar statement is the battle-cry of our Dean, a real "alley-hound." (Bowling alley, of course.) A logical mind could be a requisite for bowling, because Dean has been blessed with just that. Addition and subtraction are "meat and drink" to him. Dean will enter the Ford School of Business to study accounting, and we hope that all his figures will add up to success!

JOHN GILES

Jiminy Crickets, here's our "Skip" — a quite handsome student in the Academic Course. Most of his time is spent at Sauer's Garage, where he is employed as an automobile mechanic. Because of this, it is evident that one of "Skip's" main interests is cars. Another is sports, with baseball heading the list. Though he has not yet decided on definite plans for the future, "Skip" will surely be happy in anything he attempts.

JOHN HIGGINS

This good-looking lad with his happy-go-lucky ways is no other than our John. Though he is a fairly new schoolmate, having joined our class in his junior year, he has won many friends. John's favorite activities are hunting, fishing, swimming, and archery. After graduation, he plans to enter the Naval Air Force Cadets' Training School. With all his ambition and capability, John is sure to make his future a success.

EDWIN HOFFMAN

Are we ever proud of our "Hap"! One who could always keep us laughing and an all-around athlete, he was not only a "slugger" and basketball star, but also a very fine treasurer of T.K.D. Even intellectual pursuits didn't faze "Hap," for his favorite class was English, with an emphasis on literature. To a future college lad—though just where we don't know—we say, "Stay happy, 'Hap,' and may your every dream come true!"

JUDITH HILBERT

"Judie," though kind of port in stature, is long in leg and vim. Friendly and only begin to tell us of her laughing, mirthful personality. This busy little lady divided her time among Hi-Potts Newspaper Staff, A. and A Cappella Choir. Her secret sorrow happened to be—chemistry class. "Judie" has chosen laboratory technology as her future profession. It was really good to have had you with us, "Judie," and a happy future to you.

GARY HOFFMAN

How else can we describe Gary but—truly sports-minded? When not in school or at home, this easy-going lad could be found at the Y. M. C. A., swimming or playing basketball. When time permitted, he also enjoyed horseback riding. Gary says that his school days were "tops," especially his periods of Wood Shop. After graduation comes Uncle Sam and his Air Force. To you, Gary, we wish good luck and high flying!

HAROLD HOAK

Harold, a real sports enthusiast, has devoted much of his time either to rooting for teams on to victory or playing basketball. When engrossed in sports, he can be found at the Y. M. C. or at Mickey's, his favorite "hangout." Harold, a member of Hi-Y, has one great ambition—to become a basketball coach. However, after graduation, he intends to join the United States Army. We are confident Harold will excel in everything he does!

HOWARD HOFFMAN

"Hoffy," a likeable fellow with a wonderful personality, gave a comical spirit to our class. At P. H. S., he was a member of Mr. Flynn's great football squad, and added his athletic ability to Mr. Sterner's track team. When not participating in sports, "Hoffy" could usually be found "suping up" his blue and white Studebaker or having fun. Come September, "Hoffy" plans to enter college. We are confident he will excel in whatever field he enters. We're for you, "Hoffy"!

HOWARD HOBBS

"When was the Battle of Stings?" "Who was the nineteenth President of the United States?" Just ask Howard, our history bug. Friendly and well-liked, he is ever ready to lend a helping hand. Sports, especially swimming, also hold interest. Howard plans to enter college to prepare for a career of (what else?) teaching history. May his life be as pleasant as his days spent at P. H. S.

CARL HOLLENBUSH

This well-liked chap seemed to be a very quiet guy, until he began a discourse on cars. That is the magic word with Carl. He could really explode on this favorite subject. Naturally, he was a member of the Auto Shop while at Pottsville High. Carl also belongs to the 310 Transportation Corps. Some branch of the Service will soon find him a most worthy enlistee. May every one of your wishes be granted, Carl!

DENNIS HOPPER

Now we'd like to introduce "Denny," quite a talkative male member of our group. His principal likes consist of cars, food, and "rock n roll." "Denny" found that Mr. Sterner's cross country and track were "tops" in regard to his favorite sports and pastimes. His carefree manner has certainly added a bit of laughter to the halls of P.H.S. We hope that much of life's success and happiness is directed his way as he enters college.

GEORGE HUESTON

George's preference to let others do the talking has added a pleasing note to his personality. In regard to leisure-time pleasures, hunting and trapping head his list. George also likes to tinker with cars in any other spare time he has. To be a top-notch mechanic (and he will be, too!) is his great ambition. Just one last bit of advice we want to give you, George: The contented man is never poor!

LEANN HORNUNG

With her dignity and her brilliance, Leann has won the respect of all. It would be a rare thing to miss this gal's name on the honor roll. Besides being on the Annual Staff and a loyal Band member, Leann participated in Senior Girl Scouts, Student Council, A. Y., Biology Club, National Honor Society, and Home Ec Club (treasurer). Though in the Commercial Course, she plans to become a teacher. Bloomsburg State College—we heartily recommend Leann to you!

BLAINE HUGHES

Where's HE headed for with the big smile on his face? It must be either Math or Problems of Democracy class, for Blaine tells us that these two are his favorites. Sports are great with him, but building model cars is even better. And the chap is quite an actor, too. He very capably portrayed Frankie Riley, the racketeer in our Senior Play. As Blaine embarks for the Service, we wish him the best of luck!

EUGENE HOWELL

Cars, cars, and more cars... If you have ever talked to this friendly guy, you'll know what we mean. No matter what the make or year, "Gene" can tell you anything you want to know about it. Next to cars, "Gene" claims that hunting, dancing, ice-skating, and skiing are high on his list of likes. Although his future plans are not definite, we are sure he will succeed in whatever he endeavors. Lots of luck, "Gene"!

CAROLAN JOBREY

Hey, who's that cute blonde? Naturally, she's Carolan. With her engaging personality and ever-present smile, "Carol" has many friends during her years at Pottsville High. She enjoys driving, swimming, and ice-skating. During her stay at school, "Carol" participated in Home Ec Club and Biology Club. In the future, "Carol" plans to enter the field of nursing. We are sure that with her winning ways, her patients will speedily recover!

THOMAS HUBLER

"Quiet humor is one of the elements of likeableness." And our "Tom" is full of quiet humor. He was a faithful rooter of the "Crimson and White" at all sports events. During track season "Tom" could be seen working diligently at the sport he enjoyed the most. (Lucky Mr. Sterner!) May bad fortune follow you all the days of your life, "Tom," through college and forever, and never catch up with you!

HENRY JOHN

Henry, who "bussed" from Middleport each day, is not a very talkative chap. A cute member of the Industrial Shop Course, he lists math and drafting as "top." Taking time out (from school?) to hunt and fish sometimes occupies his time. Although not quite certain about his future, Henry does plan to get some use out of his Shop Course and to work in that field. Here's wishing you the very best, Henry!

CHRISTY JOY

"Chris" appears to be a refree guy with a quiet disposition, but he generates a lot of fun. If you are fortunate enough to know him, his will be realized. "Chris," coming to us from Palo Alto, as a member of our Commercial Department. At the end of a schoolday and on weekends, he especially enjoyed doing anything in which cars were involved. We know he will be a "Joy" to the Air Force, his chosen career!

ELAINE KERSHAW

"Need a secretary, sir?" Well, we have one who could pass the most rigid qualifications. Elaine has won her way into many of our hearts with her reticent but pleasing personality. Her spare time is occupied by painting, swimming, roller-skating, and traveling. Upon checking out from Pottsville High, Elaine plans to go on to the Ford School of Business. She is a gal who will not be bypassed. Her life, we're sure, will be a busy one!

EDWARD KASPER

Always talking, always joking, always laughing—that's "Ed." A native of New Philadelphia and a transfer to Pottsville High in his junior year, he became a well-known figure around the halls. One who is constantly ready for a good joke, "Ed" thoroughly disliked chemistry class, but enjoyed Miss Marlow's art course tremendously. His future plans are undecided. But, with his great sense of humor, "Ed" is sure to go far. May all your wishes be granted, "Kasper"!

IDA KESTEN

"A good disposition is more valuable than gold." This friendly, dark-haired girl claimed dancing as her first love. Ida was indeed an energetic and loyal member of the Distributive Education Class, which was listed as tops in her book. With her charm and grace, Ida is certain to succeed in her chosen career. A ruffle of the drums, please, as she leaves us and marches on to become an "X-pert" X-ray technician!

DOROTHY KERLAVAGE

"Dotty," smiling, cheerful, always heading for somewhere, plans to become either an X-ray or lab technician after checking out from the "Castle on the Hill." A true sports enthusiast, Dorothy was especially interested in skating, bowling, and horseback riding. An ardent participant in Biology Club and Home Ec Club, she professes that Miss Foley's English class was the most enjoyable of all her classes. "Dotty" will long be fondly included in our memories!

PHYLLIS KEVY

Phyllis, with her beautiful raven hair, was an integral part of the Class of '61. A member of the Commercial Course, Phyllis was quite a whiz at shorthand. Due to an unfortunate accident in her senior year, we missed her presence for some time. With her fine spirit and ability to take things in her stride, Phyllis will surely be a success as she heads for New York and a secretarial position.

MARGARET KERLAVAGE

"Peggy," a friendly girl with a quiet manner and a high IQ, held the admiration of everybody in our class. As another one of Frau Martel's Frauleins, she real-liked German and math. During her senior year, this ambitious gal studied math at Penn State, was a member of the National Honor Society, and the Hi-S-Potts Annual staff. With much regret and with an "Auf Wiedersehen," we send "Peggy" off to college where she will major in math.

ELLEN JANE KIENZLE

Ellen Jane is a very attractive girl with a pleasing personality to match. Another member of the Commercial Course, she put her heart into everything she did. An expert typist, Ellen Jane lent her talents to Mr. Luchnick's Commercial Lab. She considered typing as her favorite subject, which, of course, seems natural. We are confident she has the makings to become an excellent secretary to some fortunate and prosperous business man!

JACQUELINE KIRVITIS

"Jackie," quiet and reserved to the onlooker, charming and sincere to the acquaintance, was one of our favorite classmates. She is one of Seltzer City's contributions to our class. Belonging to the Clerical Department, "Jackie" especially liked typing and shorthand. Her spare time is spent in dancing, reading, and listening to music. To a future graduate of the Ford School of Business go our best wishes for prosperity in the business world!

CAROL KNELL

The Class of '61 was graced with the presence of the amiable gal from Jalappa. English appeared to be her favorite subject. Being a member of Allied Youth, Library Club, Hi-S-Potts Newspaper Staff, and National Honor Society kept Carol quite busy. She also played "a mean bagpipe" in the Katie Corps. Dancing, swimming, bowling, and having fun were all enjoyed by her. Some fortunate college women receive Carol after she leaves us. Thanks for a job well done, Carol!

DAWN KLEMEN

Dawn has been a member of the Commercial Course. She enjoys dancing, hiking, listening to records, and going for rides. Since she was a co-captain of our Flag Twirling Corps during her senior year, Dawn has become a fine director. She is also an active participant in G. A. A., and on the Hi-S-Potts Newspaper Staff. Right now she is not certain about her future. But with her ability and cheerfulness, bright days MUST "dawn" for "Dawn"!

JUDITH KOCH

As a member of our Secretarial Course, this amiable girl proved to be a necessity for any class. "Judy" claims that working for Mr. Stanau in the Vocational Office was "the greatest." While at school, she devoted much of her time to G. A. A. and Cappella Choir and participated in many after-school sports. "Judy's" hobbies cover music, singing, and sports. We really envy the luck of the "white collar" man who hires our "Judy" as his secretary.

BARBARA KLEMKO

Petite, popular, talented, and witty characterize this lass of P. H. S. Coming to us in her junior year, "Barb" has won the hearts of all who have known her. Much of her time was given to Spanish Club, Home Ec Club (vice-president), French Club, and G. A. A. Barbara lists dancing as her favorite hobby. Even though her future plans are misty, "Barb" carries with her all our wishes for luck and success.

SANDRA KOSICK

How else can we describe our "Sandy" but—personality plus! This likeable, lovable lass from Mt. Hope really breezed through her four years, lending a helping hand whenever and wherever it was needed. "Sandy" was ever so peppy as cheerleader, and "lived" for the football field and basketball court. Eventually, she hopes to become an airline stewardess, so here's wishing her a challenging career with as many friends in the air as she made here at P. H. S.

JOHN KLIEBENSTEIN

Who is that boy running onto the football field, carrying a bucket of water during a time-out? Why, it can't be anyone but our football manager, "Jack." A Cappella Choir, Biology Club, Allied Youth, National Honor Society—all these received his sincere attention while at P. H. S. "Jack" says he likes choir, art, biology, and German "the most." Right now, college, preferably Gettysburg, is uppermost in his thoughts. Our fingers are crossed for you, "Jack"!

BERNARD KOSTELNICK

"It's a crime!" says "Bernie," giving his opinion of homeroom period. That's right—his favorite time is assembly time, and he'd like to have an assembly EVERY SINGLE DAY! "Bernie" prefers being an interested bystander, rather than joining in on the fun; that is, except for his favorite sport—swimming, baseball, and football. Always rather recent, "Bernie" hasn't yet made public his top-secret plans for the future, but we are sure they will be rewarding!

NANCY KRATER

With a winning smile and captivating personality, this cute little miss has made friends right and left since she entered P. H. S. four years ago. Topping Nancy's "Like List" are oil painting, dancing, ice-skating, and swimming. Bragging people and shorthand head her "Dislike Column." During her stay at Pottsville High, she contributed much to the Girls' Athletic Association. In time, she hopes to obtain a job in our nation's capital. See you in Washington, Nancy!

ALBERT KUKLIS

Though we haven't known "Al" for too long—he came to us from Blythe Township in his sophomore year—we have had enough time to realize how very nice he is. Always ready for sports, especially hunting and fishing, "Al" can be counted on to do his best all the time, but particularly in his favorite class — Electric Shop. "Al's" recipe for a good future? Join the Air Force! It's been great having you with us, "Al"!

ARTHUR KRINER

Ask a question about Shakespeare or medieval poetry, and "Art" is in his glory. English has been his favorite subject, and Miss Foley, his favorite teacher. His pleasant smile and flair for joking have made him many a friend of both boys and girls, seniors and underclassmen. He plans to enter Gettysburg College. We are sure that "Art" will become a success, because of his "art" for making friends and winning in every attempt.

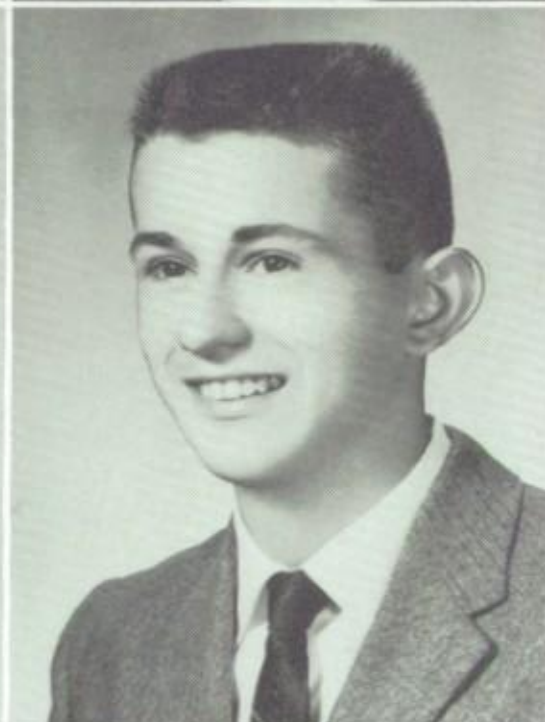

SAMUEL KULL

"Sam" was one of our male population who never had too much to say. However, he added much just by being around. When looking for him away from school, try the Pottsville "Republican." For his senior year "Sam" lent his abilities to the Distributive Education Class. He later plans to pursue a career as a "man in Air Force blue," working in a conning tower. "Sam" receives our fondest wishes for fame and fortune as he leaves us.

DIANE HAUGHNEY KRINER

A pretty blonde lass with a sweet smile—she's our Diane, and a very lucky gal she is! One of the peppiest and most vivacious cheerleaders on the squad, Diane loved yelling for the Crimson Tide (and a pretty special Bobby). She has also participated in Y-Teen activities and enjoyed being with the kids. With both of their winning personalities and good looks, Mr. and Mrs. Kriner's dreams will definitely become reality. May they always be contented!

ALBERT LAPLACA

As one of our varsity football players, "Popeye" has displayed the fine sportsmanship and determination that is so necessary for success. Even though football took up most of his time, he still managed to play baseball and to serve as his homeroom's president during sophomore and senior years. With his jovial nature, "Al" has won many friends at P. H. S. Uncle Sam's Navy is his chosen career. Anchors aweigh, "Al"!

LINDA KRINER

A captivating smile and a bundle of fun, topped with a sweet personality, mark our own Linda. Although she says the Highland Lassie Corps has been her main interest, nevertheless, she was still active on the Hi-S-Potts Annual Staff and in Senior T-Teens. Linda could usually be found driving her Chevy, swimming, or going to parties. Linda's future plans are not quite definite now. To our great classmate we all roll out the red carpet of success!

LOUISE LEASHEFSKI

Louise, who comes to us as one of Mt. Hope's favorite daughters, was a Commercial student for three years, but she participated in the Distributive Education Class her senior year. This was, according to her, more enjoyable. Our quite comely Louise has many outside activities, which include dancing, swimming, and reading. She is planning to become a beautician (and a good one she'll be, too!) upon graduation. "Every little breeze will forever whisper Louise" for us of '61!

JEAN LECHLEITNER

"Jeanie," tall, blonde, and attractive, has really enjoyed her four years at P. H. S. Though she was an Academic student her first three years, "Jeanie" switched to the D. E. Course for her senior year. Her favorite hobbies are both interesting and educational—she collects napkins and corresponds with friends all over the world. "Jeanie's" plans for the future include retailing and marriage to that "special someone." May all the happiness in the world be yours, "Jean"!

RONALD D. LORD

Want to know where to look for "Ron"? Well, in hunting season, he's probably behind a rifle somewhere. All the rest of the time, he's usually playing football or baseball. No one can beat this happy-go-lucky guy's loyal school spirit. Another one of our classmates from Jalappa, "Ronnie" especially liked chem class and math class at Pottsville High. We predict that he will make prompt progress up the path to prosperity.

FAITH LEITZEL

A petite girl with a pleasing personality—that's our Faith. Receiving her careful attention was a sphere of organizations which included National Honor Society (vice-president), Annual staff, A. I. D. (secretary), Allied Youth, and Biology Club. Faith displayed an amazing energy in all her activities, including her favorite pastimes of dancing, driving, and writing letters. We are sure Faith will succeed in her endeavors as she enters either the University of Pittsburgh or Penn State to major in math.

RONALD W. LORD

This tall, blond young man is one of the more easy-going and agreeable members of our male population. "Ron" likes tinkering with cars, and some of his most pleasant hours have been spent doing just that. Upon graduation, "Ron" plans to join the U. S. Navy. To our future sailor go best wishes for luck and success from the Class of '61.

PATRICIA LEO

Cute, perky, and loaded with zip and personality, "Pattie" could very often be seen whirling around a dance floor. She was a loyal supporter of all school activities. Much of her time was devoted to the Girls' Athletic Association, as its treasurer, Senior Y-Teens, and Allied Youth. After graduation, "Pat" plans to take a course in comptometry and to work in some large city. She is sure to be a fine asset to her lucky employer.

KATHERINE LOWTHERT

Take a witty personality, add a pretty face, mix with a pleasant smile—who do we have? Certainly none other than our own "Kitty." This vivacious miss, who was a member of Senior Y-Teens, has been an extremely capable co-captain of the majorettes during her senior year. When she leaves Pottsville High, "Kitty" hopes to work in a bank, and we are positive she will be as popular with her fellow-workers as she has been with her classmates!

MARILYN LORD

Marilyn, a very attractive member of our great class, can usually be found reading, dancing, driving, or at a party. She is also an enthusiastic sports fan, and could be seen at all P. H. S. games. During her stay on "The Hill," Marilyn has been an active member of Senior Y-Teens, Highland Lassie Corps, A. I. D., and Allied Youth. When she leaves us, Marilyn plans to become an elementary teacher. Oh, those lucky kids!!

BEVERLY MAIGE

This attractive and companionable young lady travels to us each day from Pottsville. During her four years at Pottsville High, which she claims to have been four very happy years, "Bev" belonged to the Home Economics Club, the Girls' Athletic Association, Allied Youth, and Senior Y-Teen. In the future, Beverly wishes to become a bookkeeper or work in a bank. Whichever she chooses, we are confident that she will do a great job!

MILDRED MAROUKIS

A member of the Commercial Course, "Millie" is one of the more quiet members of our class. She especially enjoyed participating in the Junior Choir and Home Economics Club. She claims that dancing, collecting records, and listening to all popular singers are her favorite pastimes. To a future beautician, we wish all the luck and success in the world.

JACQUELINE MATTHEWS

Dark shining hair, sparkling eyes, and an amiable smile — that's our "Jackie"! Pottsville High was filled with many happy times for her. Since she was one of Miss Curran's D. E. students, "Jackie" was limited so far as spare time was concerned. Whenever the opportunity presented itself, however, she engaged in her favorite hobbies — dancing, swimming, and sewing. Off goes "Jackie" "into the wild blue yonder" — one of our "high-flying" gals.

MADALYN MARRAZZO

If you should see a pretty face and hear an impish laugh, very probably it's our high-stepping head major. Madalyn, one of our capable lasses in the Commercial Course, was a member of Senior Y-Teens. Dancing and record collecting are her favorite hobbies. Madalyn definitely livened the halls of P. H. S. with her "hysterical" sense of humor. To become a dancing teacher is her main desire. May you "trip along the paths of life" happily and successfully, Madalyn!

THERESA McCLURE

A bright plaid uniform and a large, black, furry hat on a tall, fair-complexioned girl presented a true picture of "Pat" as she capably led the Highland Lassie Corps for two years. "Pat's" main activities included Senior Y-Teens and G. A. A. Dancing, swimming, bowling, and archery occupied much of her free time. Upon graduation, "Pat" hopes to become a Bell Telephone Operator in Philadelphia. May luck and success ring loudly for her in the future!

Besides being Editor of our Annual, Joanne is a past president of the Junior Choir and an active member of A. I. D. (treasurer), G. A. A. Y., Kilts (treasurer), Senior Y-Teens, and National Honor Society (treasurer). Busy as she is, Joanne can always find time for a party or some fun. May all your dreams come true at Smith College and in elementary teaching, Joanne!

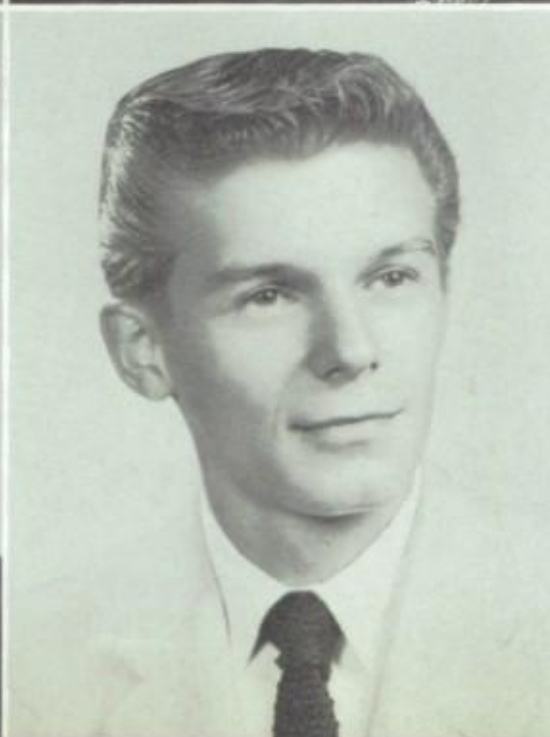

MARY ALYCE McLAUGHLIN

Though Mary Alyce has only been a member of our class since her junior year, she has made many friends and will certainly be missed after graduation. Mary Alyce liked horseback riding, swimming, skating, dancing, and food (especially spaghetti and meat balls). This pleasant young girl plans to attend beauty school in the near future. May her life be long and happy; her cares and troubles invisible; her career as desirable as she was!

FRANCIS MARTIN

Frank, one of the well-liked males of the Class of 1941, is a member of the Academic Course. He claims to enjoy sports, mathematics, and English. Frank plays basketball in the Student League at the Y. M. C. A. Although his field of study is undecided, he plans to enter college. May success be his in whatever field he chooses.

JOSEPH McSHAW

"Joe," who hails from Mt. Hope, enjoyed his four years on "the Hill," but claimed his senior year as the best of all. Since he was an avid member of the Machine Shop, most of "Joe's" time was spent there. Although art is not one of his hobbies, "Joe" is quite talented in this field. To a future sailor in Uncle Sam's Navy, we wish nothing but calm seas and prosperity in the years to come!

JANET MECK

A sweet personality and a pleasant smile can always be associated with our comely "Jan," who has won the hearts of many at P. H. S. Her favorite pastimes include ice-skating and swimming. As a member of Home Ec Club, Spanish Club, Biology Club, A Cappella and M. Y. F. (where she served as president in the sub-district), she was quite busy. After high school, Janet plans to become an elementary teacher. Oh, that we could be her future pupils!

ANDREA MICKLO

Andrea, poised and efficient, has once again returned to P. H. S. after a two-year stay at Saint Clair High School, and we're mighty glad to have her back. Upon returning, she selected the Commercial Course. Come winter, and so also comes Andrea with her ice-skates since this is her favorite sport of all. Though she is undecided about her future, we won't worry! For Andrea has the three requisites of success — good nature, intelligence, and determination!

LYNN MEDWAY

An eager member of the Girls' Athletic Association and Allied Youth, Lynn is endowed with three of the most admirable traits of femininity — loyalty, cheerfulness, and tranquility. More often than not, she can be found at the Globe engaging in her favorite pastime — dancing. Chemistry class is voted as her most enjoyable subject. Our hopes for a bright future go to you, Lynn, as you achieve your goal of becoming a laboratory technician!

"Wally" is an avid hunter and fisherman, and could often be found enjoying these, his favorite sports. He was truly an integral part of our class and P. H. S., and is one who will definitely be missed. "Anchors Aweigh" to you "Wally," as you plan to join Uncle Sam in the Navy after June. May you "sail" to success!

JOAN MELTZER

This dark-haired girl has divided her time among B'nai B'rith Girls (treasurer), Annual Staff, A. Y., Biology Club, and G. A. A. "Joani" enjoyed her math and chem courses, and plans to continue with college math. With her sparkling personality, we know "Joani" will receive the best things in life.

JAMES MINNICH

Fun-loving and easy-going, our "Jim" can usually be seen whizzing around town in his '50 Pontiac. With his witty remarks and his cheerful "Hello" for every acquaintance he sees, "Knees" made many lasting friends at Pottsville High. Coming graduation in June, "Jim" plans either to enter some business school or to join the United States Coast Guard. With his winning personality, we are positive "Jim" will win in the "Game of Life"!

GEORGINE MENNIG

Pretty, cheerful, petite — that's our Georgine. This little lass has been active in Biology Club, Spanish Club, the Girls' Athletic Association, Nursing Corps, and the Home Economics Club, but she still had time to lend her talents to the Kiltie Corps. Dancing, skating, and literature are among Georgine's likes. In the future, she plans to become a beautician. The Class of '61 wishes her the very best of everything in her chosen field of endeavor.

HOWARD MITCHELL

Here's Howard, one of the greatest jokers of our class! His spirit of mischief and love of fun combine to form a kidding and gay personality. When not kidding or laughing, Howard attended Spanish Club meetings and did a terrific job as "Slukey" in our Senior Play. "Mitch" would like to continue his education in the field of business administration. Here's to you, Howard! May your life be as happy as your school days have been!

"Dottie," planning to become a beautician, carries with her our best wishes for success in her chosen field.

SUSAN MOHILA

"Dance, 'Susie,' dance!" And dance she does, VERY capably. With such ability it is not surprising that she was chosen best dancer of our class for two years and co-captain of the Flag-twirling Corps. Susan displayed her athletic ability in the Girls' Athletic Association, her singing talents in the A Cappella Choir, and her friendliness in everything she did. May you dance through life, "Susie," as easily and as successfully as you danced into our hearts!

NANCY MORTIMER

During her four years at P. H. S., our Nancy was an active member of Senior Y-Teens, Band, Annual Staff, and the 1960-'61 president of Home Ec Club. Is it any wonder that Nancy was a busy girl! Even with all these activities, she still found time for ice-skating, bowling, and swimming. Upon graduation, Nancy hopes to become a nurse. Best wishes for success and happiness are extended to her from her fellow classmates.

ALICE MORAN

Alice, a very pleasant gal, was a member of the Distributive Education Class. After school she could usually be found working at Cable's. Alice is especially fond of dancing and reading good books. She also enjoyed watching the P. H. S. football team. Although her plans for the future are not definite, we are sure that she will succeed in whatever she attempts.

The Vocational Office was the recipient of this ambitious Commercial student's talents during her senior year. Throughout her stay at Pottsville High, Carol participated in the Junior Choir, Home Ec Club, Allied Youth, and on the Hi-S-Potts Newspaper Staff. "Anyone can make acquaintances, but SHE knows how to make friends," is very true of Carol. To be an ace secretary is her goal. We will forever sing "carols" of praise to this Carol!

JEANETTE MORAN

Now meet our Jeanette, attractive, witty, and friendly. Her flashing smile and beautiful brown locks are two of her most priceless possessions. Jeanette rendered her services to Senior Y-Teens and the Girls' Athletic Association. She also lent her talents to the Kiltie Corps (a piper, no less!) Cheering for the Crimson Tide at all the games has been one of her favorite pastimes. Grace Down's Airline Training School, we're proud to send Jeanette your way!

DONNA MOSHINSKY

Pep, cuteness, and friendliness are just a few of Donna's outstanding qualities. This Schoentown miss has brought many lively experiences to us at Pottsville High. Donna claims driving her "hot" Chevy as her favorite pastime. Dancing, Band, and having loads of fun also capture her main interests. After graduation, she plans to become either a dancing instructor or a beautician. A bright and successful future will be our Donna's just reward for her loyal service to P. H. S.!

KAREN MOTTO

Karen commuted daily from Middleport. She is an enthusiastic lass who could most often be seen around the Commercial Department. This lovely young girl has mapped out an ambitious future for herself. After June 15, Karen plans first to become a typist, preferably in Washington, D. C. Later she will return to the Empire Beauty School here in Pottsville. As Karen leaves us, we have only pity for those classes which did not include her.

RUTH ANN MOYER

"May I help you?" This question, heard over the candy counter at the Hollywood Theatre, is asked by our own Ruth Ann. Being an ardent supporter of the East Side, she displays a fine part of it. Possessing a love for animals, Ruth Ann says that horseback riding is one of her favorite pastimes. Busy as she is, she still finds time for Senior Y-Teens. We know her wish of becoming a fine beautician will be fulfilled.

BARBARA MOYER

Barbara, whose engaging personality and ever-present smile have won her many friends, votes dancing and driving as her favorite pastimes. She lent her talents to the Kiltie Corps, of which she was an able president, Sketch Club, Hi-S-Potts Newspaper, Hi-S-Potts Annual Staff, Home Ec Club, and the All Club Council. Barbara's future plans are undecided, but we know she will be as much of a credit to any profession as she was to us.

BARBARA MULLIN

This attractive, slender, and dependable miss has surely been a well-liked classmate. Her poise and charm have won her many friends. "Barb's" favorite classes were art and typing. Outside of school, she enjoys having a good time, especially dancing. Biology Club claimed her time in school. Her "Home Sweet Homicide" performance demonstrated her flair for dramatics. When not attending our games, she is usually dancing, skating, or swimming. Whatever you do, Maudie, we wish you well.

DAVID ROBERTS

Have you ever seen a black and white Republic truck whizzing around town? The driver is none other than our "Dave." Having chosen the Commercial Course, "Dave" grew very fond of bookkeeping and accounting. Hunting and fishing take up this lad's free time, these being the only sports he enjoys. In the future, "Dave" plans to enter a business school and study bookkeeping. We wish him the best of P. H. S. (Prosperity, Happiness, and Success).

RICHARD RICHTER

With his keen sense of humor, friendliness, and terrific personality, "Dick" was certainly one of the best-liked members of the Class of '61. As if to prove this, her future is encircled by a golden wedding band!

"Jackie" hopes to enter the business world after leaving in June. We, your classmates, wish you only the best good fortune, "Jackie"!

**CHARLES TORAK**

"Turk," a good-looking member of the Vocational Course, says his years at Pottsville High have practically flown by and his senior year has been the very best. "Turk's" spare time is spent hunting and fishing. A real machine enthusiast, he would like to enter the Navy after graduation and become a machinist. With his great abilities and interest, we are sure that all of "Turk's" plans cannot help but come true.

RONALD THOMAS

Who is that riding around the black Chevy? You can be sure that he's our "Ron." His mischievous grin lets everyone know that he is always looking for fun. "Ron," a member of the Academic Course, thoroughly enjoyed his hitch in the A Cappella choir, to which he added his pleasing tenor voice, and Biology Club. Right now, "Ron's" future plans are not definite. But his success is sure, for he finds pleasure in what he does!

**FRANK TRAPANI**

Frank, an enrollee in our Commercial Course, has attended several different high schools, but is spending his final year with us. Though Frank has enjoyed P. H. S., he says grade school was best. In time, he intends to join the Air Force and later become an auto body repairman. We know that whatever Frank does in Uncle Sam's name will be done well and will reflect credit not only upon himself, but all of us!

CAROL JEAN TRAVIS

Carol Jean is an amiable, fun-loving girl who proved herself an asset to the Commercial Course. She has always been studious and dependable, with an undercurrent of humor. Carol Jean is a member of the National Honor Society. Her plans for the future are not definite, but she is considering the secretarial field. With her pleasing personality, she is bound to achieve her goal.

NANCY WALTERS

A cheery "Hi!" and warm smile are two reasons why Nancy gained many friends here in P. H. S. She participated in Library Club of which she was treasurer, Allied Youth, Spanish Club and was on the Hi-S-Pot Newspaper Staff. Nancy also was a prompter in our Senior Play and was very active in M. Y. F. Her future plans include college and a teaching career. As you enter your chosen field, Nancy, the Class of '61 says, "Good luck!"

JOSEPH URANKO

"Click, clack, click, clack!" is "Joe's" favorite sound — the "music" of typewriter keys. Typing class is the period he lives for, although his other classes are enjoyable, too. "Joe's" favorite hobbies are skating, swimming, fishing, and tinkering with cars. As secretary of the new Hi-Y Club, he spends his spare time at the Y. M. C. A. In the near future, "Joe" will join the Service. Good luck, "Joe," in your career with Uncle Sam!

ROLAND WALTERS

"Anyone care to dance?" If you hear that, rest assured our "Rol" is near. He could quite definitely be found at all of our school dances. Scholastically, the Commercial Course claims this senior lad as one of its members. History happened to be his favorite subject. In the summertime, swimming occupied his time. A hitch in the Navy and then a job around cars are his plans for after leaving Pottsville High. Good luck, Roland!

RICHARD WAGNER

What a determined chap our "Rich" is! His chief desire is to become a professional cabinetmaker, so he spends hours down in the Wood Shop, "building his future." The first step toward "Rich's" goal will be a trade school, and we are certain that the steps following that will be easy, because of his obvious ability and determination and his winning personality. May you become as successful as your name implies, "Rich"!

LYNN WEAVER

If Lynn always seemed to be in a hurry, you could be sure he was headed for either Miss Foley's English class or Miss Farlow's class. Lynn, who was carefree and well-liked by all his classmates, occupied his spare time with Scouts and Luther League. Upon graduation, Lynn plans to serve Uncle Sam in the Navy. We wish you luck, Lynn, as you "wave" good-bye!

GEORGE WALTERS

Hardly a word is ever heard from George, but when he does talk, you can be sure that he will say something worth while. One of the most industrious students in our Distributive Education Class, he is always striving toward his goal—that of being manager of a retail store. In our crystal ball we perceive that every one of George's desires is certain to become reality some time in the near future!

LEE WEHR

This energetic member of the Auto Shop enjoys working with cars at his father's gas station in the afternoon. His favorite hobby is his own car. Because Lee displays such talent and interest in mechanics, after graduation, he would like to further his education in the field. We, the Class of '61, want to wish him success in his chosen work.

TERRY WEIBLEY

Wit + good looks + dependability + friendliness = Terry, one of the nicest guys to pass through the halls of Pottsville High. He considers school as the greatest. Terry, who was a member of the National Honor Society, always managed to make the honor roll. Attending the Crimson Tide games was on his list of extra-curricular activities. Next fall will find Terry entering college to become a top-notch engineer. May all his dreams come true!

BRUCE WESNER

One of our great Port Carbonites, Bruce is a shy (?) guy with a wonderful sense of humor and a captivating smile. Bruce thoroughly enjoyed his years at Pottsville High and has made many friends for himself. A member of the Vocational Course, Bruce has hopes of becoming an electronics expert after his education is completed. The Class of '61 wishes you all the luck in the world, Bruce, in whatever you may attempt.

DENNIS WEIST

Dennis, who has spent his four years at "the Castle on the Hill" as a Commercial student, is a fine example of the high calibre of our band members. Another one of his hobbies is working with wood, at which he is quite an artist. In the near future, Dennis wishes to become a flyboy; in other words, to enter the United States Air Force. Here's hoping you lend this to your liking, Dennis!

DAVID WESNER

Basketball, football, baseball, track — into whatever field of endeavor "Wes" entered, he met with success. "Dave" was also an active member of the Biology Club. Since he liked school, he is certain to succeed in college as he prepares for his future career. Right now it's a toss-up between engineering and teaching. But no matter which he chooses, "Dave's" desire to learn and willingness to team with others will aid him in making a prosperous life for himself.

VERA WELIKONICH

"Forever foremost in the ranks of fun: The laughing herald of '61." A bundle of fun with a love of life is our Vera. She tells us that dancing, especially to the music of the Jordan Brothers, is her favorite form of recreation. A member of Senior Y-Teens, Vera also likes horseback riding. English seems to be her best-liked subject in school. Upon graduation, she hopes to obtain a secretarial job in Washington. Best of everything, Vera!

STANLEY WILDER

"Stan the Man" has certainly been an asset to our great class. Having been on our varsity basketball team for four years, he displayed outstanding ability on the court. "Stan" was also a member of the track team, in which the shotput captured his interest. Outside of school he enjoyed dancing, taking pictures, and having fun. Although Stanley is uncertain about his future plans, he's shooting for college. We're sure that this is one basket he won't miss!

GARY WERTZ

Here's one boy who is always in the clouds — either dreaming or flying. When not soaring through the air, Gary managed to come down to earth long enough to be an active member of the Biology Club. As you may have guessed by now, Gary is a licensed pilot. He plans, after graduation, to further his flying ability in the United States Navy. To a future ace — may you always remain on Cloud 9!

SHAARON WILLIAMS

Home Economics Club, Biology Club, French Club, G. A. A., and Senior Y-Teens were recipients of Shaaron's services. A Cappella and Band also appreciated the musical talent she lent to them. With Shaaron's friendly smile, cheerful personality, and keen sense of humor, she did a great job as "Joella" in our fabulous Senior Play! Being the possessor of these traits, she can't help but make a fine "angel of mercy" after graduation from Pottsville High. Good luck, Shaaron!

CARL WINKLER

Easy-going, well-liked, and not at all self-centered, Carl has really enjoyed his four years at Pottsville High. Since music is one of his chief interests, he has been a member of the Band during his stay on "the Hill." He says that his favorite pastimes are fishing and radio repairing. Carl wishes to enter the television industry, and we are certain that his life will be filled with success!

EILEEN WOOD

This cute gal with the dark locks is quite a friendly member of our group. "Woodie" has been a loyal supporter of the Girls' Athletic Association. She'll tell anyone who asks that sports is her favorite pastime. Using what she has learned from the Commercial Course, Eileen would like to enter a business school and become a private secretary. We are certain that Eileen's good nature and abilities will always bring credit upon her!

WILLIAM WITMER

Who is that tall, friendly lad? Why, he's our "Bill"! A member of the Band and the Pep Band, "Bill" enjoyed his senior year to the utmost. He rates history as his most enjoyable subject. Camping, hiking, and swimming are on his list of interests. Shooting also is one of his favorites. We trust that "Bill" will "hit the bull's eye" when he presents his talents to his chosen field of endeavor!

MORGAN WOOD

"Woody" a woodenhead? Certainly not! His clear, logical mind is emphasized by his choice of curriculum—the Commercial—and by his favorite subject—filing. Athletic "Woody," like most other boys, enjoyed gym, but he has another "love"—the track team. The Navy lies ahead for this carefree guy and we leave him with just one bit of advice: "Don't be too logical—just obey orders!" All aboard, "Woody" and happy sailing to you!

BERNICE WOJCIECHOWSKI

Pretty, loquacious, and well-mannered are adjectives which certainly describe our Bernice. While at P. H. S., she has proved to be a valuable worker on the Hi-S-Potts Newspaper Staff. She also has served as secretary of the Student Council and secretary of the Spanish Club. Dancing and swimming are on the top of her list of recreational interests. To you, Bernice, a future nurse or history teacher, go all of our best wishes for everything nice.

CAROL YAKAITIS

Carol, who hails from Pottsville, Alto, is a faithful member of Miss Curran's D. E. Class. During her first three years at P. H. S., Carol was active in Home Ec Club and Biology Club. Besides working at Rose's Jewelry Store, Carol lists dancing and skating as her favorite activities. To become a beautician is Carol's desire. All of your many friends wish you luck and success in your chosen field. Carol!

JAMES WOLLYUNG

"Jim" was a remarkably quiet guy who was well-liked by all who knew him. He has been a member of Mr. Fernsler's Machine Shop while at Pottsville High. Watching television seems to be "Jim's" favorite pastime. However, swimming and roller-skating at Willow Lake are also running a close race in competition with that TV set. He intends to enlist in some branch of the Service upon graduation. Best of good fortune always, "Jim"!

KAREN YOUNG

This cute number, bubbling over with personality and mirth, added a full measure of smartness to our Majorette Corps. Karen has won her way into many of our hearts here at P. H. S. with her captivating smile. On the side of majorettes, these activities, Senior Y-Teen Home Ec Club, and Girls' Athletic Association, competed with each other for top preference in her book. After graduation, she is going to become an expert beautician. With pride—we point to our Karen.

HARRIET YOUNGS

Harriet, a quiet but ever present member of our class, always had a smile and a friendly "Hello!" for everyone. Much of her time was given to studying and reading. Harriet also rated sports high on her list of activities. To a future Florence Nightingale, the Class of '61 wishes luck and success in all her endeavors. God bless you, Harriet. Our thoughts will always be with you.

ELIZABETH ZELUSKY

"Libby," one of our classmates from Seltzer City, is an avid sports fan, but claims dancing as her favorite pastime. A Commercial student, she was an active member of the Freshmen and Senior Home Ec Clubs, G. A. A., and was a gym assistant during her stay at P. H. S. Our "Libby" would like either to work with retarded children or to be an orphanage housemother. We wish her the best of luck, happiness, and success in whatever she chooses.

RICHARD YUENGLING

Athletic ability combined with good looks and a winning personality make "Dick" one of our best-known and best-liked students. He excelled on the basketball court as one of Mr. Haberle's "fabulous five" and was also a standout on the baseball diamond. This popular lad was elected in the membership of Tau Kappa Delta, too. College, and after that, the future—that's the route he will soon travel. Here's egg your beer, "Dick," a future brewmaster!

NANCY ZIMMERMAN

We are glad to have numbered "Nanc," with her friendliness and mirth, among us. While here at P. H. S., she devoted much of her time to Senior Y-Teens, Biology Club, the Hi-S-Potts Newspaper Staff, and rooting for the football team. A Cappella Choir was also a receiver of her talents. In addition to these activities, Nancy still found time for Rainbow and the Rainbow Drill Team. Our best wishes are extended to you, Nancy!

BARBARA YURCKONIS

"Babs," a great fun-loving member of our class, contributed her talents to "Home Sweet Homicide." She says chemistry is her favorite subject and Miss Foley, her favorite teacher. Band, Spanish Club, Biology Club, and Aided Youth have taken up much of this gal's time. She enjoyed attending all the P. H. S. football, basketball, and baseball games. Loyalty and cooperativeness are two qualities that will enable Barbara to attain her goal—that of becoming a "lady in white."

MARILYN MILLER KRAMER

Clear white skin, sparkling teeth, and blonde shining hair—that's Marilyn, as bright and fresh as a spring day. Though she enjoyed school, she left us during her senior year, but does intend to complete her education later on. While here, Marilyn participated in Y-Teens and on the Hi-S-Potts Newspaper Staff. She was also an ardent supporter of the bowling teams. We know that Marilyn, one of the happiest girls around, will surely have a joyful life!

FRANK ZAWASKI

Frank is another loyal member of the Vocational course P. H. S. must forfeit when the Class of '61 leaves. Frank, quiet but well-liked, came to us from New Philadelphia. He spent much of his time in the Wood Shop. Among his extra-curricular activities, Frank rates hunting and trapping as tops. After graduation, he plans to enter some branch of the Armed Forces. Good luck, Frank, and best wishes!

MARY LU

As sweet and charming as a fairy princess and as pretty as a picture, Mary has enchanted everyone—both teachers and students alike—with her bewitching ways, perfect manners, and lovely smile. While at Pottsville High, Mary has been a participant in A Cappella Choir, A. I. D., Sketch Club, and Student Council. When she returns to Brazil and college, may she always recall her innumerable friends that she has made here and rest assured that we shall never forget our delightful and fascinating "May Lu."

THE STUDENT COUNCIL

The Student Council of Pottsville High School was organized in 1926 to promote the best interests of the school and to create cooperation between the students and the faculty.

The president and the vice-president are elected by the student body, and the membership consists of one representative from each homeroom.

The Council, under the supervision of Mr. Brady, has continued many of the activities of previous years. The most outstanding have been the Faculty Party, the All-School Dance, the foreign-exchange student under the American Field Service Program, and the Penny-A-Week Drive. Giving gifts and food baskets to the less fortunate families at Christmas time is the main purpose of this last activity.

This year, through a school-wide campaign to sell candy, the Council has again raised money to continue the American Field Service Program. The exchange students are honorary members of the Council. The officers are the following:

President	Harry Crosswell
Vice-President	Geraldine Gregor
Secretary	Bernice Wojciechowski
Treasurer	Wilbert Dutter

Front Row: T. Weibley, F. Leitzel, D. Polcrack, J. Marsden, Mr. Liddle

NATIONAL HONOR SOCIETY

Under the capable guidance of Mr. Benjamin Liddle, the Pottsville High School Chapter of the National Honor Society has endeavored to realize its goals, which are as follows:

1. To create an enthusiasm for scholarship
2. To stimulate a desire to render service
3. To promote worthy leadership
4. To encourage the development of character

The society, having received its charter in 1936, limits its membership to the top fifteen members of the senior class. Since membership in the organization is considered an honor, there is no formal initiation. The only requirement is that each member must remain on the honor roll at least five of the six grading periods. Should he miss the honor roll twice, he can no longer be a member of the society.

The selling of "mums" for the Thanksgiving Game is the main project of the society. At the end of the school year, each member is presented with a gold pin, which serves as a lasting memento for participation in the society.

Officers who served most capably for the 1960-'61 term were the following:

The membership is limited to a minimum of twenty and a maximum of twenty-five girls. This year's membership is composed of eleven seniors, nine juniors, and six sophomores. Mary Lu, our foreign exchange student, is an honorary member. The girls are chosen on the basis of character, scholarship, and industry.

Among services rendered, Alpha Iota Delta has sent volunteers to work at the Pottsville Tuberculosis Society and has cheerfully served in many other civic and school drives. Alpha Iota Delta has also sold Christmas cards, and has donated a Christmas basket to an underprivileged family in the community. The annual luncheon for the members and alumnae was this year held on December 27.

The annual "Spring Fantasy," a semi-formal dance, is always a well-received activity which is usually held after the Easter holiday recess.

The group is under the careful guidance of Miss Hannah E. Chadwick.

The Pottsville High School Girls' Athletic Association, under the capable guidance of Mrs. Howard Fernsler, sponsors four tournaments a year; namely, volleyball, basketball, tenequoit, and softball. An emblem is awarded to each member of the winning team, provided she participates in all or all but one game of the tournament.

Membership is open to any girl in P. H. S. who participates in at least one after-school sport.

The general aim of G. A. A. is the support and promotion of intra-mural activities, which are an outgrowth of the school program of physical education.

The association has eight objectives: to establish a sport for every girl; to develop a wholesome and diversified program of games; to promote ideals of health and sportsmanship; to adopt standards in athletics for girls; to develop fellowship and friendliness in games; to provide active opportunities for a large group; to elect heads of various sports; and to develop student-conducted activities.

The Sketch Club, one of the most active and prominent organizations at Pottsville High School, consists of 19 members, whose common interest is art. The club's principal objective is to promote and develop the art ability and interest of its members, while it provides an excellent opportunity for enjoyment and recreation.

Membership is based on the student's cooperation with others and his art ability. To an outstanding art student, who is furthering his education in the art field, the Sketch Club presents an annual award. Funds for the award are secured by the selling of yearbook covers, the sponsoring of the annual Christmas dance—the Frosty Frolic—and the Spring Fiesta de Flores dance. A trip to New York City is sponsored by the club for its senior members. BIOLOGY CLUB

Under the capable advisorship of Miss Doris Morgan, the members of the Biology Club obtain a broader and deeper understanding of plant and animal life in our world. The club has again taken charge of the plants on the solarium and held a rabbit dissection. This year an aquarium was also started. The destination of the annual end-of-the-year trip was New York, and the Museum of Natural History was visited.

Membership into the club is obtained through a written examination in biology.

SPANISH CLUB

The Spanish Club, el Circulo Espanol, now in its third year, is one of the most active in Pottsville High School. This year, at Thanksgiving, each member contributed canned goods for the Salvation Army. A number of pizza sales and a roller-skating party were two objectives for raising money.

Since the purpose of the club is to promote the Spanish language, the capable adviser, Mr. John L. Frederick, suggested a luncheon with a series of films on Spain, instead of an annual trip, to mark the close of the Spanish Club for 1960-1961.

DISTRIBUTIVE EDUCATION

Distributive Education is a vocational program designed to help students acquire the business technique that will lead to success in a career of distribution.

This type of program, sponsored by the state and federal governments and our local school board of education, enables both boys and girls to secure store experience under observation, supervision, and guidance of the employer and the teacher-coordinator while attending school.

The school gains through Distributive Education, inasmuch as the program broadens the educational facilities of the community and provides practical training opportunities for a group of students who wish to make retailing their career.

The student has the advantages of learning many phases of retailing in class during the morning session and the opportunity of applying this information in a practical way on the job in the afternoon. The student is paid the prevailing wage for his work, receives commission on sales whenever the position calls for it, and is allowed the same discount on purchases as are regular employees.

This year the community shared in the benefits of Distributive Education through an adult training program offered to salespeople and executives of our local stores.

All students of our high school have an opportunity to receive some training through the Distributive Education department by enrolling in our pre-Christmas training classes and thereby receive help in job placement.

The Distributive Education class was busy this year selling Christmas cards and novelties. They sponsored a "Harvest Ball" in October. All these activities help to provide funds for field trips, a student-merchant dinner, and the D. E. Convention of Pennsylvania.

The Annual Convention was held at Buck Hill Falls this year.

POTTSVILLE HIGH SCHOOL BAND

On April 13, the Pottsville High School Band presented its 25th Annual Spring Concert, which was thoroughly enjoyed by all. This concert was just one of the many enjoyable performances our band capably rendered. Throughout the year the band boosted the enthusiasm at football games, basketball games, and pep rallies. The Christmas Concert also complimented the fine talent of the organization. Not to be forgotten are the spirited performances the band has rendered at parades, public, patriotic, and civic affairs. The band was rewarded for its excellent performance in the Schuylkill County Firemen's Association Parade by being awarded a beautiful second-place trophy for the Best Appearing Junior Band.

The band was capably represented at P. M. E. A. Eastern District Band by P. Harris, R. Koch, J. Centifanti, S. Clark, E. Elliott, S. Kissinger, and P. Poulson; at P. M. E. A. Eastern District Orchestra by P. Harris, E. Elliott, and S. Clark; and at All-State Regional II State Orchestra by E. Elliott. All of these people are to be congratulated on their fine achievements. The band was also asked to send representatives to the Tri-Valley Band Festival with 26 of its members participating.

CONGRATULATIONS

Co-Captain Jimmy Beveridge received an unprecedented honor in P. H. S. sport history at the end of the 1960 season. He was given Honorable Mention on the National High School All-American Football Team. A certificate was presented to Jim during a special assembly program by Ed Romance, popular sportscaster of all Pottsville High games.

Co-Captain Bob Bosack received additional honors at the close of the 1960 season when he was selected Most Valuable Player by the Pottsville Lions Club. His name was inscribed on a plaque now displayed in the trophy case. Presentation was made by Dr. Crosswell, with Mrs. Bosack a proud witness.

FOOTBALL—1960

Pottsville 33 — Blue Mountain 6

Pottsville High started its football season off with a smashing victory over Blue Mountain High School. Behind excellent blocking, Pottsville was able to defeat its opponent 33-6. Jim Beveridge and Howard Hoffman, seniors, and Jim Strausser, a junior, shared the scoring honors. Gary Carter, a senior, made three good place kicks.

Pottsville 20 — Mahanoy City 0

The Crimson Tide next met Mahanoy City and won with a score of 20-0. Jimmy Beveridge and Bob Bosack, two of the team's co-captains, were the senior scorers with runs of 45 yards and 90 yards, respectively. Mike Lazarchick also made one of the TD's. Two extra points were kicked by Gary Carter.

Pottsville 41 — Tamaqua 6

Our third conference game ended in a 41-6 triumph over Tamaqua. The scorers were Jim Beveridge with a 35-yard run, Bob Bosack with a 32-yard pass play from Jim Strausser, Howard Hoffman with a 66-yard run, Al Laplaca with a 24-yard run, and Mike Lazarchick with a 6-yard plunge and a 20-yard run. Gary Carter kicked 4 extra points and ran one.

Pottsville 25 — Sunbury 0

Even though the Sunbury field was very muddy, it did not stop the Pottsville team from defeating them by a score of 25-0. Jim Beveridge, Howard Hoffman, Norman Coyle, and Jim Strausser all had one touchdown to their credit. The extra point was run by Carter. Both the offensive and defensive teams played very well.

Pottsville 12 — Shamokin 0

Co-captain Jimmy Beveridge and Jim Strausser shared the scoring honors in Pottsville's win over Shamokin. In this game our defensive line again proved its ability by holding the Greyhounds scoreless.

Pottsville 7 — Lebanon 0

In a closely contested game, Pottsville gained its sixth victory with a 26-yard end run made by Jim Beveridge. Gary Carter kicked the extra point and also recovered a Lebanon fumble on our own 2-yard line during the last minutes of the game. Bob Cooch, George Garrett, Lou Purin, and Lamar Strause were outstanding on defense.

Pottsville 13 — Mount Carmel 0

Continuing their winning streak, the Crimson Tide players defeated Mount Carmel 13-0. Co-captains Jim Beveridge and Bob Bosack scored our two TD's with a 74-yard run and a 59-yard pass play, respectively. Gary Carter kicked for the extra point. Miss America, Nancy Anne Fleming, was one of the spectators at this game.

Pottsville 6 — Berwick 13

A touchdown by Berwick in the last 50 seconds of the game broke the tie and ended Pottsville High's winning streak. Jimmy Beveridge scored Pottsville's only touchdown. Our boys fought stubbornly to the end and several times held their heavier opponents on downs, when a yard or two meant possible scores. Berwick later went on to win the Eastern Conference and Keystone Conference Championships.

Pottsville 19 — Hazleton 6

Pottsville again entered the winning column by crossing the line for 19 points to Hazleton's 6. Jim Beveridge on a 56-yard sideline scamper, Dick Richter on a 62-yard pass play, and Mike Lazarchick on a 7-yard end run accounted for our touchdowns. A place kick by Gary Carter added the extra point.

Pottsville 7 — Allentown 25

Opening mistakes and costly fumbles brought about Pottsville's loss to Allentown. Our touchdown was made by senior Jack Elison when he snagged a pass from Jim Beveridge. Gary Carter place kicked the extra point. Tommy George played an exceptionally good game.

Pottsville 6 — Reading 7

The annual Thanksgiving Day game, played at Reading this year, was indeed a heart-breaker. After a sparkling 68-yard punt return by Bob Bosack for 6 points, Pottsville held its opponent to a 6-0 score until the fourth quarter. With just six minutes to play, Reading scored a touchdown and an extra point. Bob Cooch, Tommy George, Dick Richter, and Lamar Strause were among the leaders on Pottsville's goal line stands. Six hundred fifty loyal fans enjoyed the train ride to Reading, sponsored for the first time this year.

Coach "Larry" Haberle, in his first year as Varsity coach of the Crimson Tide basketball team, produced an exceptionally fine team, with clever ball-handling, accurate shooting, and general all-around playing ability. They finished the season with nine victories and thirteen losses, which included wins over Hazleton and Dieruff in the strong East Penn League. We sincerely hope that this is the beginning of a new era of basketball at P. H. S. This year, six seniors, Jim Steidle, John Grazis, Ed Hoffman, Dick Richter, Dick Yuengling, and John Condrack, will graduate. With Jim Strausser, George Garrett, Eddy Weisacosky, and Bob Schuettler returning, Coach Haberle should look forward to great things next year.

John Smith, the Junior Varsity coach, turned in a commendable performance in making a well-fundamentalized team out of his J. V. squad. We are confident that, in the future, his aid will be of great significance here at P. H. S.

Varsity Cheerleaders

"Go! Big Red! Go!" — a typical slogan inspiring the team and students as well to cheer for victory. The Pottsville High School cheerleaders, filled with vivacity and effervescence, kept the spirit high during the '60-'61 season with a stupendous bonfire and colorful pep-rallies in the auditorium and boys' gymnasium.

These girls, this year, sold stuffed bull-dogs, and sponsored football dances to help defray the annual expenses.

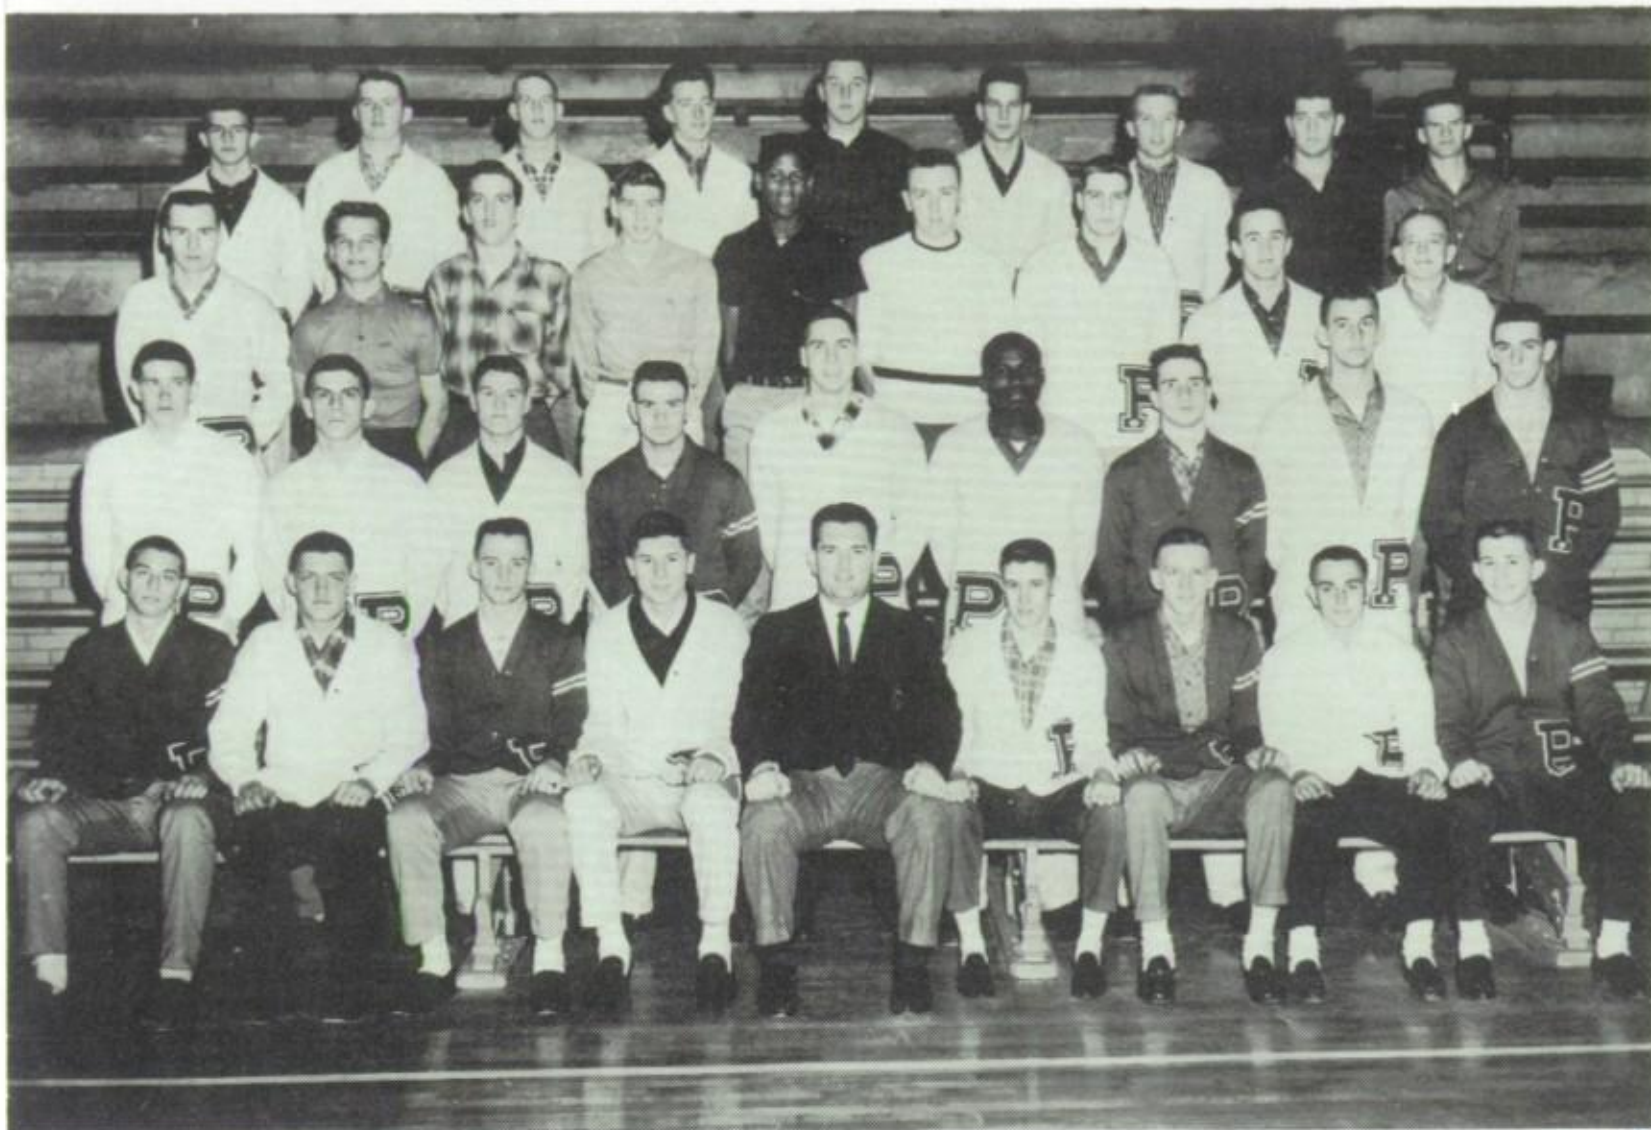

Senior varsity squad members receive a blazer, varsity letter, and blazer emblem. All the varsity members receive necklace megaphones.

A hard-working, well-coordinated squad, the 1960-1961 cheerleaders did an outstanding job in adding color and spirit to every event in which they participated.

VARSIITY CLUB

The purpose of the newly-formed Varsity Club is to bring together all the "men" of Pottsville High School into one group. The all-important subject—teamwork—is successfully taught to these athletes.

The club sponsored a "car wash" this year. It also looked into the construction of a track scoreboard and bleachers for baseball games. Wrestling tournaments are planned for the future.

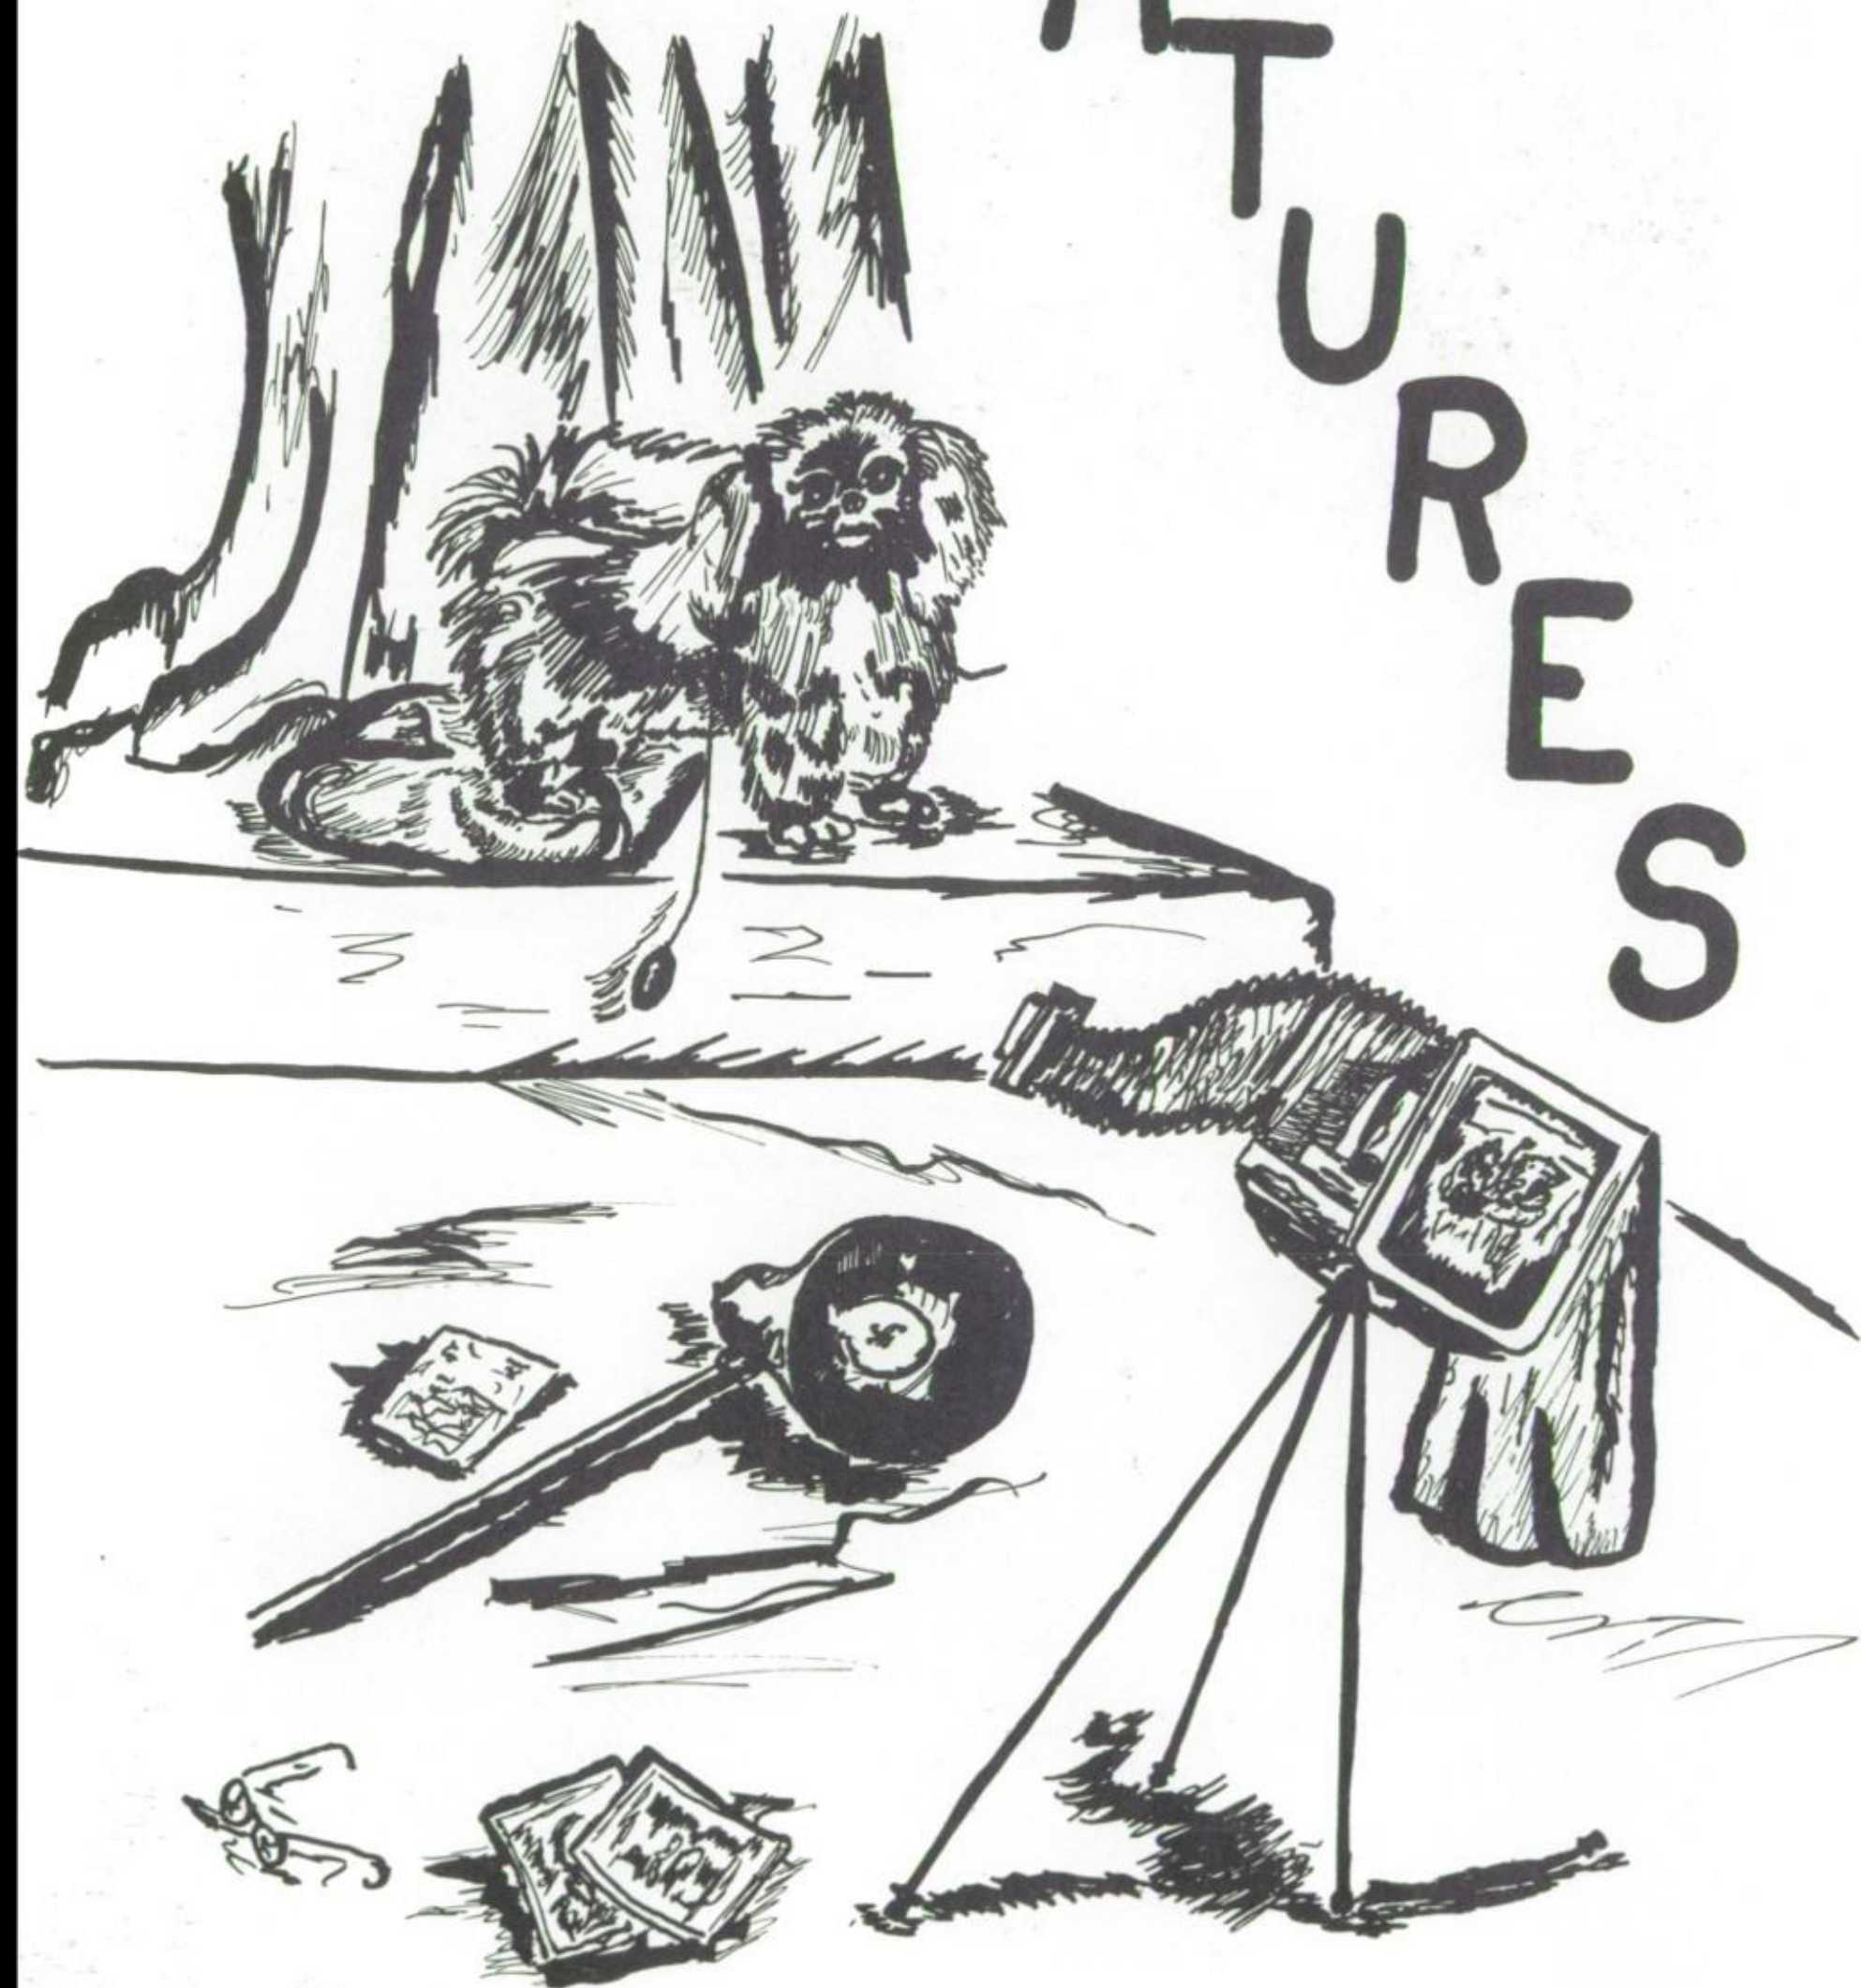

Mr. Ronald Carnicella is the adviser of this organization. Since the boys' grades are carefully watched, any one not doing well scholastically is contacted and aided.

THE SENIOR PLAY

Daryl was learning the "Twist"; Bob was hungry; Ed Felker kept bumping into things; and Mike — well, Mike would have been impossible if it had not been for Carol. Several times we thought the murder might take place before schedule and with a different protagonist; but, all of a sudden, the cast took a big breath, caught a whiff of grease paint, and, as the house lights dimmed, turned professional long enough to present "Home, Sweet Homicide," one of the funniest senior plays in years.

OUR LIFE IN A KENNEL

"Dogs, dogs, and more dogs," every
 Word we would hear,
 For, surely you've seen, that's our
 Key-note this year.
 With covers and features, with
 Freddy's dog art,
 We cried, "Mr. Allen, you
 Must have a heart.
 We've suffered with dogs from
 September to May,
 And we even had live ones —
 Remember that day?
 So please, sir," we begged him,
 As nearby he sat,

"Please do us a favor and
 Buy us a cat."
 But thinking it over, we
 Finally agreed,
 If we bought a cat, dogs would
 Soon have it treed.
 Don't think we'd complain, or
 We'd even protest —
 Our Annual's "Doggy," and
 Also the best.
 So read it, enjoy it, and
 Have lots of fun,
 And with it, remember our
 Class — SIXTY - ONE.

CLASS HISTORY

In September of 1957, most of the members of the Class of 1961, shaking, shivering, and quaking in their boots, entered Pottsville High. (Some had already been here for a few years.) As we trudged down the vast hallways searching for that ever-elusive study-hall which was to be our home grounds for the remainder of this first year, we wondered as we wandered — "So 318 is East? Well, which end is East? Help!" After being sent to the boiler room, the Little Theater, and the Machine Shop, respectively, by several helpful upper-classmen, we realized at long last that L. T. did NOT mean Lunch Time. Following our first taste of the world of high school — pep rallies, tests, football games, tests, dances, tests, assemblies, and TESTS — we chose our second semester officers: Michael Brown, president; Patti Schock, vice-president; Nancy Close, secretary; and Jim Beveridge, treasurer.

The great surprise of our lives came as we entered our sophomore year. At last we were able to send unsuspecting freshmen to the boiler room, sneak in the lunch line, (If Mr. Guertler didn't catch us), and scream more piercingly in assembly than any other class. (At least Mr. Kiehner thought so.) A new administration was inaugurated, consisting of Jim Beveridge, Faith Leitzel, Dariel Orefice, and Jim Steidle.

At last we achieved a cherished aim — we were multi-lingual. Besides that, we could speak two languages. The Academic students proudly gabbled a few garbled phrases such as "Wir geht," "Parley-voo Francais?" "Si, si, Senorreta," and even the Latin students managed a phrase or two — #%(%)# (censored.) Commercial students added their TyPinG SkuLLS to our lineup of talent. Too bad we refused Ed Sullivan's offer — we would have been famous. (Or should we say Infamous?) Amid a welter of ridiculous suggestions such as Scotch plaid, brown and purple, knotty pine, and pink and red, we chose the only really decent (???) colors for our class: light blue and dark blue. The officers who perpetrated this insanity were Bob Bosack, Jim Steidle, Patti Schock, and Dick Yuengling. (My, did they have a wild time!)

Senior year arrived unawares, and we dedicated ourselves to intellectual and academic pursuits: pep rallies, Mickey's, football games, Mickey's, dances, Mickey's, assemblies, and MICKEY's. As you can see, we were still the same sweet, wholesome, typical American teenagers as we had been four (or more) years before. No ordinary year for us. We even had a murder, planned and executed by that master-criminal, who shall be nameless. Hint: her initials are Joan Foley, and her hideout, room 203. 'Long about February 28, every industrious student spent an hour or two dashing off a term paper, all of which were well received (???). (We hope!) Of course, some of the more ambitious students declined to waste time on such trivia. Their presence at graduation will be missed, but — better luck next year. Last year there was no class song. This year we made up for it; we had two. Everyone is aware that 1960 was an important election year, since the Senior Class chose extraordinary officers: Bob Bosack, Will Dutter, Patti Schock, and Dariel Orefice. By the way, Kennedy won that year, too. The year flew by on gossamer wings, (it was just one of those things), and it seemed that graduation would never arrive. The "best Annual ever" was distributed (arf-arf). Amid the tail-wags there was a discontented growl or two, causing half the Annual Staff to skip town. The mail from Lower Slobbovia is delivered only twice a year, sooooo . . . ? And now, with a single sorrowful tear streaming from our reddened eyes (soon to be blackened), we'll leave you with one single thought:

After all is said and did, You won't find us, 'cause we're hid!

—DORANNE POLCRACK and MARGARET KERLAVAGE.

... APPRECIATION ...

The HI-S-POTTS Annual Staff of 1961 wishes to express its sincere appreciation and gratitude to:

The "Pottsville Republican" for their pictures and assistance.

Seiders Printing, Incorporated, for the printing of this book and for the valuable advice they gave us.

And to all of the business people whose names appear in this section. Their help made this book possible.
